

August 2026

Dear 2nd Grade Families,

My name is Colleen Lang, and I will be your child's second grade teacher. I am so happy to be teaching second grade at Stoy this year! I wanted to take this opportunity to introduce myself. I am a graduate of Villanova University where I received my bachelors degree in Elementary Education. I then went on to Cabrini University and received my Masters in Education. I was a first grade teacher in Pennsylvania for 9 years before moving to New Jersey. Prior to moving to Stoy I have taught second grade for the past 3 and a half years at both Edison and Jennings schools. I live here in Haddon Township with my husband and four children. I am looking forward to meeting all of you. During the summer I will be reading lots of books and soaking up the sunshine at the beach before sending my oldest daughter back to college at the end of August. I can't wait to hear about all the things you and your families do and all the books you read over your summer break!

We will have a lot of fun in second grade. I look forward to getting to know you and your child throughout this school year and I am grateful to be a part of the Stoy community. Have a wonderful summer! See you in September!

Sincerely,
Mrs. Lang
