

Welcome to Kindergarten

I AM SO HAPPY 😊 TO SHARE THIS YEAR WITH YOU!

Welcome to Kindergarten!

Lunch at school · Recess · Reading · iPads · Friends

Welcome to Stoy School Kindergarten! Kindergarten is all about having fun and learning together as a team. Throughout the year, we will build a classroom community of students who *love to learn!* Feel free to email me to say hi or ask a question before the school year starts! Before the first day of school, you will get to see your new classroom at our Meet and Greet. On September 2nd, you and your grown up will get to come see our room, find your cubby, and see where we are going to learn, read, and play! Look for more information about Kindergarten Meet and Greet to come home in an email. Stop in at your assigned time to drop off supplies, see the classroom, and say hi. Our first day together as a class will be September 3 from 8:40-12:40.

EMAIL

mvalenzuela@htsd.us

2

CALL

(856) 869-7725

3

WRITE

We will provide your child with a folder on the first day of school to contain anything important that needs to travel between home and school.

Tech Corner

Seesaw

Seesaw is the digital learning platform we will use this year. I will provide more information about logging into our class during the first week of school.

Learning apps

A few learning apps will be introduced to the students throughout the year. I am excited to explore these learning opportunities together this year.

Sneak Peek

Look for additional information about our Kindergarten Meet and Greet. I look forward to meeting you and your child!

ALL ABOUT YOUR TEACHER

My name is Mrs. Valenzuela and I have taught pre-k, kindergarten, and first grade over the past 20 years at Stoy. This will be my third year teaching Stoy's Kindergarten and it is a joy working with this age level. I have a Masters of Ed. in Technology in Education with a specialization in Developing Literacy Expertise Through Responsive Classroom Teaching.

Mrs. Gorrell is our classroom assistant. Mrs. Gorrell has working in a kindergarten classroom now for 10 years. Prior to kindergarten becoming a full day program, she was the supervisor of KClub/K Enrichment both at Edison and Stoy. She LOVES working in a kindergarten classroom as it is so rewarding to watch how much they learn and grow within their first full day experience at the elementary level.

We LOVE our jobs and are thrilled to get to spend some time with you and your child this year.
