2. Copies of the Healthy and Safe Schools Plan

Copies of the plan are available at each of the following link:

- https://www.sthelens.k12.or.us/departments/maintenance-facilities/healthyandsafe

3. Testing Certification

St. Helens School District #502 certifies that it is in compliance with all plan components, including any and all testing required by any part of the plan.

4. Testing Results

St. Helens School District #502 schools are current with all required testing as of the date of this document. Test results can be found on the St. Helens School District #502 website at https://www.sthelens.k12.or.us/departments/maintenance-facilities/healthyandsafe. St. Helens School District #502 will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact Jared Plahn to be added to the current district email lists and programs. Specific test results can be found as follows:

- Lead in Water
- Radon

5. Website Link Maintenance

St. Helens School District #502 certifies that all website links for plan information and test results are current and functional.

6. Major Exposure Reduction Activities

St. Helens School District #502 has completed the following major activities, which resulted in reduced risk of exposure to hazardous materials:

Facility Name	Building Id. Number (BIN)	Activity resulting in reduced risk of exposure to hazardous materials	Type of hazard addressed	Date of activity	Estimated cost of remediation
St Helens High School	19480404	Remove Asbestos	Asbestos	Jul 2025	$3,200

I certify that the above information is true and accurate to the best of my knowledge.

Jared Plahn	Director of Facilities	7/15/2026
