

WEST FARGO HIGH SCHOOL

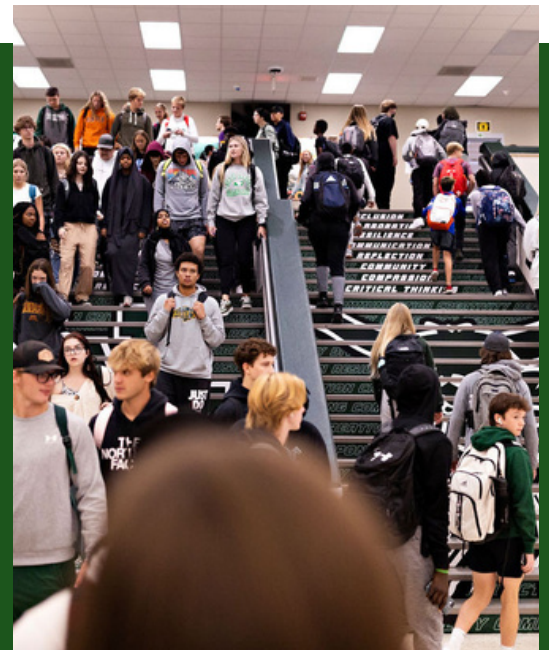

BUILDING ON OUR STRENGTHS

- **A lifelong community-** Once a Packer, Always a Packer
- **A diverse and vibrant student body-** representing a wide range of backgrounds, cultures, interests, and aspirations
- **A proud legacy of resilience and grit-** decades of perseverance, service, and leadership have made WFHS a cornerstone of the West Fargo community
- **A culture of connection and belonging-** staff and students who look out and show up for one another

SERVING OUR NORTHSIDE COMMUNITY

- **Ensuring a strong start for every ninth grader-** providing the relationships, support, and structures students need to successfully transition to high school
- **Pursuing continuous growth and improvement-** focusing on what we can control, learning from our results, and taking action to get better
- **Honoring and strengthening the Packer legacy-** building on the traditions, relationships, and accomplishments that have shaped the stories history of WFHS while creating the next chapter
- **Preparing graduates for what comes next-** developing the knowledge, skills, confidence, and dispositions students need to thrive in their next step
- **Developing good people, not just successful students-** cultivating character, responsibility, compassion, resilience, and a commitment to others
- **Engaging our community and stakeholders-** listening to diverse perspectives, building meaningful partnerships, and working together on behalf of our students

CONTINUOUSLY IMPROVING

- Preparing staff and students to **solve new problems** as we navigate new technology
- Turning timely data analysis into action that **accelerates student achievement**
- **Building engagement and connection** in a world full of screens and distractions
