Administrative Recommendation: Move to approve the bid recommendation of Indeco Sales, Inc., to serve as the selected vendor to furnish and outfit the new Career and Technical Education (CTE) Center, as presented.

Background Information: As part of the voter-approved 2022 Bond program, the District is constructing a state-of-the-art, 100,000-square-foot Career and Technical Education (CTE) center designed to serve students across all district high schools. This innovative campus will house specialty CTE programs.

To prepare the campus for its scheduled 2027-2028 opening, high-quality, durable, flexible, campus- and program-specific furniture must be procured and delivered to align with final interior completion schedules.

The procurement process was initiated under RFP # 26-018NA (Career and Technical Education Center Furniture), and bids were evaluated by district staff following the submittal deadline. Indeco Sales, Inc., was selected as the recommended vendor through a competitive evaluation process based on quality, compliance with technical specifications, pricing structure, and project delivery timelines.

Fiscal Analysis: The total cost is to be finalized (TBD) upon room-by-room layout approvals, but will not exceed the allocated 2022 Bond Furnishings, Fixtures, and Equipment (FF&E) line-item budget of \$3,727,817.

Regulatory Requirement: Board Policy CV (Local): Facilities Construction; Board Policy CH (Local): Purchasing and Acquisition; and Texas Education Code § 44.031 (*Purchasing Contracts*)
