

Visitor Parking

All non-football student groups should enter the Princeton ISD Stadium from Mabel Avenue, accessing Mabel Avenue from either Boorman Lane or 4th Street.

All buses and band equipment vehicles should turn at the stop sign in front of the Princeton ISD Administration Building and Clark Middle School.

Students will exit the buses at the end of the Clark Middle School driveway before the buses continue onto Panther Parkway.

Buses should proceed to the baseball parking lot located at the far side of the Clark Middle School parking lot.

Band equipment vehicles may use the Clark Middle School bus loop and park alongside the building.

Semi-trucks may enter Panther Parkway from Bois D'Arc Avenue if needed.
