ADMINISTRATIVE PROCESS FOR STACKING HOURS FOR HEALTH INSURANCE
CONTRIBUTION

The School District will prorate certain health insurance premiums, applying the following:

1. **EFFECTIVE DATES.** Effective upon full ratification of the 2025–2027 contract for the child nutrition unit, this process will be used by the School District.
2. **CURRENT UNIT.** The term, “current unit,” means of the P.E.L.R.A. bargaining unit in which a part-time employee who works within two bargaining units as part of the employee’s regularly-assigned duties has the greater number of hours.
3. **APPLICATION.** This process will apply only to the part-time employee(s):
 - 3.1. Who either is in the Child Nutrition Unit, Transportation Unit or the Paraprofessional Unit as the “current unit.” All other employees are excluded from this process.
 - 3.2. Who continuously meet the eligibility criteria for health insurance premium contribution from the School District in accordance with the terms of the collective bargaining agreement (CBA) within the employee’s “current unit.” An employee who does not continuously maintain health insurance eligibility will be removed immediately from the benefit of this process.
4. **STACKING OF HOURS.** The School District will add together the employee’s hours in the “current unit” with “other hours.” The term, “other hours,” means work hours assigned in accordance with the School District’s regular process for the assignment of duties so long as the “other hours” are less than the number of hours assigned to the employee within the “current unit.”
5. **CALCULATION.** The total number of hours as determined in paragraph 5 will be used to determine the percentage of the School District’s health insurance contribution, using the proration provision of the employee’s “current unit” CBA.
6. **SUMMER MONTHS.** An employee who remains continuously employed and eligible under this process will receive the School District’s pro rata contribution toward the health insurance premium during the months of July and August.
