All Students

ONLINE SAFETY

To ensure student safety, Katy ISD screens online activity whenever students are logged into District accounts, whether utilizing a District-issued Chromebook or personal device. Katy ISD has recently switched its online screening filter from Content Keeper to GoGuardian Beacon services as part of our school's broader district device screening process.

2026 STATE TESTING STUDENT RESULTS

Reflected in the calendar below, families will be able to review their child's STAAR, STAAR EOC and TELPAS results to better understand areas of strength as well as any learning gaps.
Parents/Guardians can access the Family Portal is by:

1. Logging into MyKaty Cloud and selecting the Home Access Center (HAC) tile.
2. Visiting the Texas Assessment website using the student's unique access code, date of birth and first name.

Please refer to the Department of Research, Assessment, and Accountability website for the Directions for Automatic Access to State Testing Results Using MyKaty Cloud document, available in both English and Spanish.

TEA OVERVIEW OF SCHOOL DISCIPLINE IN TEXAS

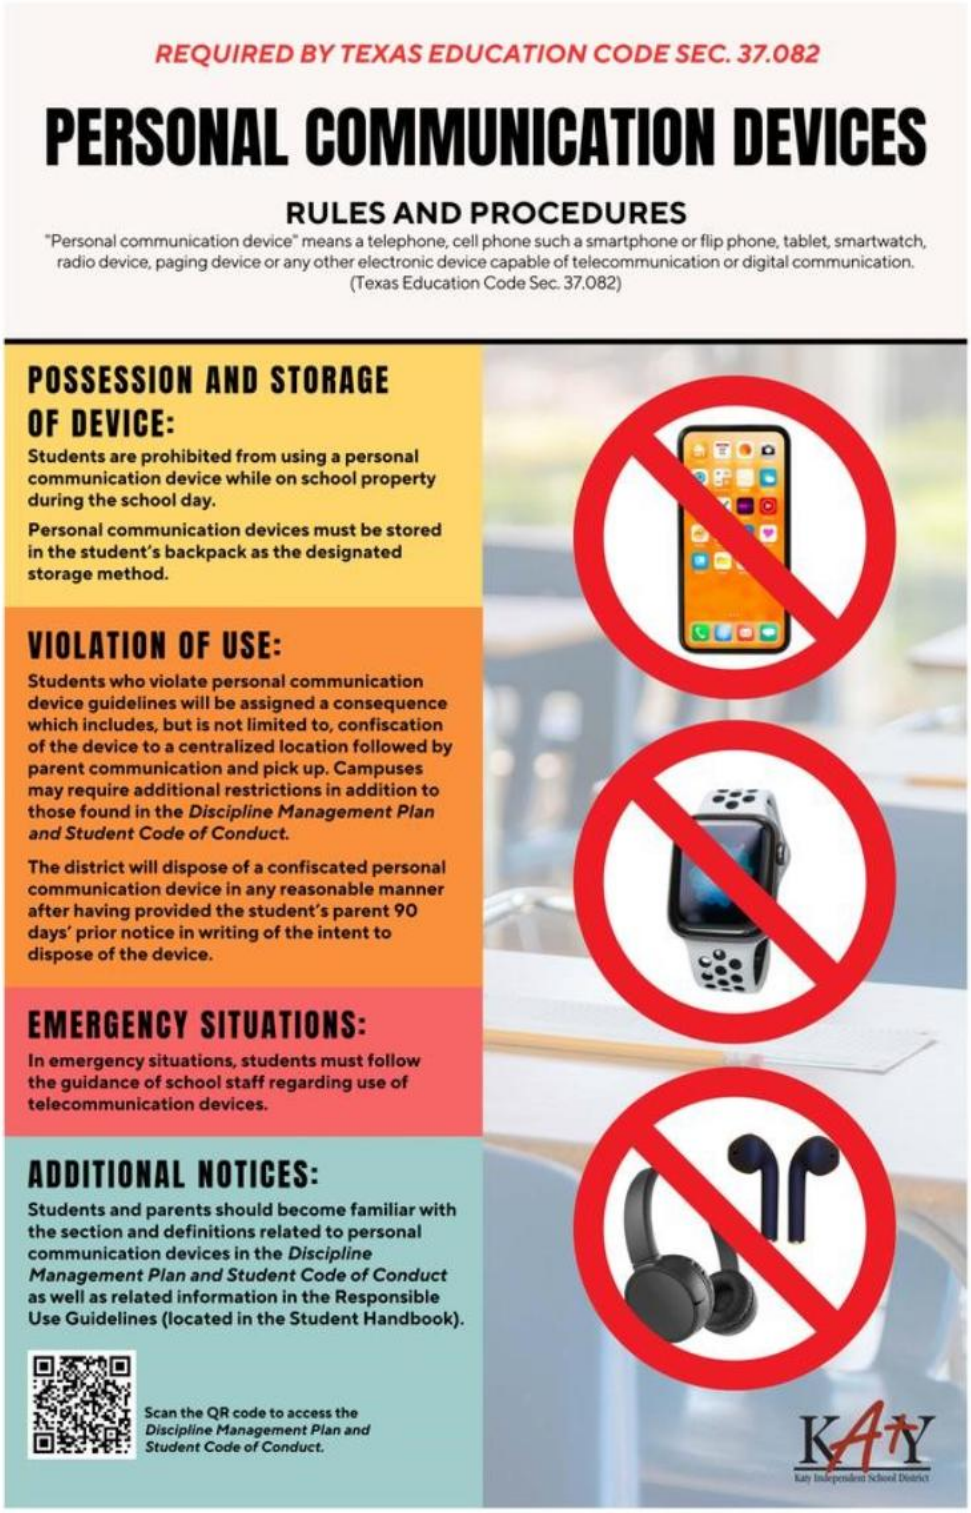
House Bill 6 requires TEA to "…prepare and provide to each school district a report identifying each law relating to school discipline that was amended or added by the 89th Legislature, Regular Session, 2025." [Section 22, HB 6]. It further requires each district to provide the report to each student and parent or guardian.
To comply with the statutory reporting requirement, TEA has prepared a document, Overview of School Discipline for Parents, designed for families to explain the general requirements of student discipline and laws that were recently changed.

STUDENT USE OF PERSONAL DEVICES

Katy ISD's Personal Communication Devices guidelines
New Texas state law (House Bill 1481) requires all public school districts to restrict student use of personal communication devices during the instructional day. These devices include cell phones, smartwatches, wireless earbuds and similar technology. **Effective immediately, all personal communication devices must remain turned off and out of sight from the first bell to dismissal.**

While students may still bring personal communication devices to campus, **use during the instructional day is strictly prohibited**. **Any device that is visible or in use during instructional hours will be considered a violation of the Student Code of Conduct and may result in disciplinary action.**

If your child has a documented health or learning need that requires access to a personal communication device, please contact your campus administration to discuss appropriate accommodations. **Exceptions will only be made for emergency situations or students with verified support needs as part of an approved learning or medical plan.**



CHROMEBOOK DEVICE INSURANCE

Parents can opt-in for accidental insurance for the Chromebook and must select this option during Annual Student Update or New Student Enrollment. The insurance must be paid within 30 days after the student's first day of attendance and will not cover intentional damage. Insurance fee(s) will be paid in the District's Pay 'N Go application and insurance coverage will not begin until payment is received. Failure to pay within 30 days after the first day of attendance will result in your student's device not being covered for the entire school year. Once insurance is selected and your record has been approved, you will receive an email with instructions on how to pay for the fee in Pay 'N Go.

Insurance is valid until the last day of the current school year or until it is depleted. Insurance must be selected and paid yearly.

If you did not select insurance and would like to add it, you have 30 days after your student's first day of attendance to add it and complete payment. You can send an email to changemyrequest@katyisd.org and provide the following information:

- Student's Name:
- Student's ID:
- Student's Campus:

DIGITAL CITIZENSHIP

Digital citizenship is the responsible use of technology and the Internet. Lessons are taught about specific topics such as respectful communication when online, balanced and healthy use of technology, cyberbullying awareness, online privacy, and analyzing different forms of media for accuracy. Digital citizenship will continue to be taught throughout the school year. We appreciate parents' support, and additional resources can be found on Katy ISD's Digital Citizenship website.

MEALS CHARGE POLICY

District charge policy allows students without meal money to receive the menu meal choice for a limited time with the expectation the parent will reimburse all meals charged.

Parents will be alerted when their child charges for a meal by receiving a courtesy call and/or email through the district automated call out system, if the district parent information is correct and up to date. Parents are responsible for monitoring the amount of money in their child's account and paying back any borrowed money in a timely manner. If a student owes money on his/her account, he/she will be allowed to purchase snacks and/or a la carte only with cash in hand for that purchase, or once the student's negative account is paid in full and funds are available to cover additional purchases.

2026-27 DISCIPLINE MANAGEMENT PLAN

The 2026-2027 Discipline Management Plan and Student Code of Conduct can be found on the district webpage under District Links.

Parents and students should review the Discipline Management Plan to be aware of the campus and District behavior expectations as well as the potential consequences.

KATY ISD DRESS CODE

The Dress for Success visual is provided to assist students, parents and staff in understanding dress code expectations. Parents and students should review the Discipline Management Plan and Student Code of Conduct to be aware of the campus and District behavior expectations as well as the potential consequences.

ATTEND TODAY, ACHIEVE TOMORROW

Attend Today, Achieve Tomorrow

Did you know?

When a Katy ISD student misses 2 days a month…

- They will miss **20 DAYS** a year
- They will miss **12% of INSTRUCTION** for the year
- They will miss **17 HOURS of MATH** over the school year
- They will miss **34 HOURS of READING & WRITING** over the school year

When a Katy ISD student misses 4 days a month…

- They will miss **40 DAYS** a year
- They will miss **24% of INSTRUCTION** for the year
- They will miss **34 HOURS of MATH** over the school year
- They will miss **68 HOURS of READING & WRITING** over the school year
- They will miss **3 YEARS** of school by graduation

KATY ISD HEALTH SERVICES
FOOD ALLERGY

- In accordance with State guidelines, Senate Bill 27, and the Texas Education Code, Section 38.209, a food allergy management plan has been developed and implemented by the District that includes general procedures to limit the risk posed to students with food allergies, and specific procedures to address the care of students with a food allergy who are at risk for anaphylaxis.
- Each school campus will be supplied with the required amount of epinephrine auto injectors for pediatric and adult dosages, approved by an advising physician, to be used for cases of suspected anaphylaxis.
- Katy ISD will ensure that a sufficient number of school personnel at each campus are trained to administer epinephrine. Currently, this program is being funded by an outside source and if this funding source were to cease, the implementation of stock epinephrine auto-injectors will be re-evaluated by Katy ISD.
- Parents of a student with known, life-threatening anaphylaxis should provide the school with all necessary medications for implementing student specific orders on an annual basis. This guideline is not intended to replace student specific orders or parent-provided individual medication.

Should you have any questions regarding any of the information above, please contact Jennifer Staines, Director of Health Services via email at JenniferLStaines@KATYISD.ORG or you may call 281-396-2629.

STUDENT IDENTIFICATION (ID) BADGES

REMINDER: Every student ID badge includes a unique student ID number that is used to check out library books and textbooks, to purchase food items in the cafeteria, to permit passage to certain club meetings, and to provide easy identification of students in common areas of the school. **Students must wear their ID badges at all times during school hours, while on school property.** If a student loses the ID, a replacement must be obtained promptly from the designated school office/location. Failure to follow these procedures may be considered a violation of the Discipline Management Plan and Student Code of Conduct. For more information regarding student ID badges, please review the Discipline Management Plan and Student Code of Conduct.

STUDENT ID INFORMATION

If you are looking for your student's Katy ID, their ID and other pertinent information can be found on the student's ID badge. It is located under the bar code and begins with an alpha character. Additionally, the Katy ID can also be found by logging into Home Access Center (HAC). Click on the Registration icon – Demographic Tab and locate the field called Student ID.

ATHLETICS

ELECTROCARDIOGRAM (ECG) SCREENINGS

Katy ISD Athletics is partnering with the Cody Stephens Foundation to offer $20 electrocardiogram (ECG) screenings in Katy ISD. Sudden cardiac arrest is a leading cause of death in young athletes and students. These quick, non-invasive screenings help identify hidden heart conditions that routine physicals might miss.

These screenings will take place at your student's high school campus during the month of September with results returned in early October. Visit the ECG sign up link to secure a spot.

RANKONE APP

Get the Rankone App to stay up-to-date on athletics schedules, compliance forms and more. With in-app notifications and messages, you'll never miss those important updates.

Interested in Season Tickets for Varsity Football? Contact Athletics at: 281-396-7619 or email rebeccalfrankum@katyisd.org.

FINE ARTS

FINE ARTS ON FACEBOOK

Katy ISD Fine Arts is excited to announce the launch of its new Facebook social media account. This platform will share updates and information about fine arts programs and upcoming events across our campuses. We invite our community to follow along and stay connected with Katy ISD Fine Arts. www.facebook.com/KatyISDFineArtsTX

FINE ARTS PERFORMANCE SCHEDULE

To view the schedule of fine arts performances, you may visit the Katy ISD Fine Arts website and select the activity to view the calendar of events.

You may also visit the Pay N' Go Tix webpage and select Fine Arts Events to purchase tickets.
