

Stono Parent POD

2025-2026 Year In Review

DEAR PARENTS & GUARDIANS,

Thank you immensely for your time, support, and collaboration as part of the 2025-2026 Stono Parent POD group. To promote transparency within our organization, here's a summary of all the incredible achievements we accomplished in our first year!

FUNDRAISERS

Nothing Bundt Cakes: We raised \$1802.00 in February through our first Nothing Bundt Cake sale. We sold 908 bundtins the week before Valentine's & received great feedback from Stono Park families. These funds went towards the mural beautification project.

Teach Appreciation Week: We raised \$760 via family sponsorships of teachers and staff. Plus, an assortment of gift cards were donated to allow us to provide breakfast, snacks, treats, and a raffle for the teachers & staff.

EVENTS

Bingo Night: The POD organized the donation of pizza and drinks for the family BINGO night. We raised \$1,000 with the sale of the meal combos.

Art Show: POD members volunteered their time to help Mrs. Powell with finishing touches to bring the art show to life.

Mural Reveal: In celebration of the mural created by our amazing Stono Park artists, a mural celebration was hosted & included a beautiful unity song from the SP scholars!

VOLUNTEERING OPPORTUNITIES

- Helped spread the word about school events by dropping off flyers
- Facilitated donations for several events throughout the year
- Helped organize and distribute Teacher Appreciation Week items
- Organized and distributed bundt cakes

GOALS FOR NEXT YEAR

- Recruit more POD members
- Create committees within the POD to delegate tasks effectively
- Improve fundraisers and events with the things we learned during the last school year
- Continue to help support Stono Park scholars, teachers & families
