LIBERTY OAKS KZ NEWSLETTER

WELCOME BACK!

To all of our returning students, welcome back, we cannot wait to see you! If you're new to Kid's Zone, welcome! We can't wait to meet you and welcome you into our crew here at Liberty Oaks! Whether you are new or returning you will find SO MUCH useful information (and updates) in this newsletter, so please read it throughly and reach out if you have any questions or concerns. Thank you, and here's to a GREAT year to come!

CHECKING ID'S...

This year we will be checking ID's of everyone picking up a student from Kid's Zone everyday. Even if we know you it's still a great habit for staff to get into, to check ID's for all families. We truly do this for your child's safety so please be ready to comply with this policy this year. On that note., if there is an adult you wish to allow authorization to pick up your student from Kid's Zone, please be sure have them listed as an Authorized Pick Up (APU). You can do so by either contacting the KZ office or talking with Ms. Sarah..

COMMUNICATION...

We will always to our best to communicate with you during pick up about your student's day in KZ. Some days you may receive a "communication checklist" this is just our way to communicate to you minor problems or injuries that happened during the day.

If you ever need clarification on any situation, have any questions or concerns, or even if you just want KZ to be aware something please do not hesitate to speak to Ms. Sarah.

MEET AND GREET

MANAGER INTRODUCTION

Hi, Liberty Oaks families! My name is Sarah, and I'm so excited to step into the Kids Zone Manager role here at LO this year!

I've been part of the Kids Zone family as a counselor for the past year, and I'm excited to continue growing with our program in this new role. I truly enjoy working with kids and creating a space where they feel safe, supported, and excited to be here.

Outside of work, I'm a mom of two and will soon be welcoming my third little one! Being a mom has given me an even greater appreciation for the trust you place in us when you leave your children in our care.

I'm looking forward to getting to know all of our Kids Zone families and making this a fun, positive, and memorable year for your kids. I can't wait to see what we accomplish together!
