

William Elementary After-School Crochet Club

Program Overview

The Elementary After-School Crochet Club introduces students to the creative art of crochet in a fun, welcoming, and hands-on environment. Students will learn beginner crochet skills while creating projects they can use, wear, or give as gifts. Throughout the program, they will develop patience, creativity, confidence, fine motor skills, and friendships while expressing their creativity through fiber arts.

Program Details

- **Grades:** 3–6
- **Schedule:** Every Wednesday, Room 26A, September 16, 2026 –April 28, 2027
