PLEASE NOTE: On Wednesday, August 19, 2026, from 9:30 a.m.-1:00 p.m., all district and school buildings will be closed to allow staff to attend an in-service. We apologize for the inconvenience, however we value the opportunity to be able to come together and communicate with our entire staff at the same time.

SUPERINTENDENT'S MESSAGE

Welcome Back Flushing Raider Families,

With our 2026-2027 school year set to begin on August 24, 2026, I wanted to take this opportunity to welcome all of you to the start of another wonderful school year. We are excited for what the 2026-2027 school year has in store for all of us, and look forward to it being a very enriching, positive, and worthwhile experience for all of our students, families and staff members. While I know the 2026 Raider Rally has just passed us by, I am hopeful your students were able to come up and enjoy it, while being able to sink their favorite principal in the dunk tank. 😊

Staff has worked hard this summer to make sure our schools are prepared to meet the various needs of all of our students, whether academically, physically, behaviorally, or social-emotionally. Summer school, child nutrition, transportation, custodial, safety and security, technology, secretarial staff,

certified teaching staff, and our administrative team have been hard at work making sure we are ready for an incredible 2026-2027 school year. A major thank you to everyone that served on hiring and interview committees this summer, helping us hire over 35 new employees district wide, in every department, all with a heart for working with kids. We are still looking for a couple full time substitute bus drivers, so please consider joining us if you have a passion for the road and for kids. The passionate work and never ending commitment of all of our staff members over the quick summer, as well as throughout the school year is integral in making sure we have a successful school year, and we cannot thank them enough.

As you have noticed, our school improvement bond projects continue in and around all of our school buildings. Most notably this summer, all of our gymnasiums and cafeterias have had

Matt Shanafelt

air conditioning systems installed, as well as additional walk in coolers and generators in support of our food service programs. All of our new updated primary and secondary door systems at our elementary buildings have been completed and incredible progress has

been made on the high school athletic complex. The two main buildings in the athletic complex are being completed as I write, dugout foundations have been poured and we are expecting to see both the new Varsity softball and Varsity baseball fields emerge before the snow hits so they are ready in the spring. A total revamp of our Transportation facility is underway as well. While there is still much bond related work to be done over this next school year, it is wonderful to see the progress being made, knowing the positive impact it has on our students' entire school experience. Thank you for your ongoing support and patience as these projects

are being completed.

We look forward to continuing to be positive partners with our families in the support and education of our children, and look forward to working with all of you to make sure this year is a positive one for all of our students. Please do not hesitate to call or e-mail our buildings with questions, comments, or concerns as we look forward to helping in whatever way we can, and we know that positive, direct communication to and from our teachers, principals and buildings remains the most effective way of supporting all of our students and families.

Thanks again for your support of our school district and each other, and enjoy the rest of your summer. We look forward to happy, student filled classrooms and buildings starting Monday, August 24, 2026

Go Raiders!
Matt Shanafelt

BOARD ACTION UPDATE

The following are highlights of the Flushing Board of Education meetings held on
June 23, 2026 and July 21, 2026:

Salvatore Ausiello
Trustee

Terry Bate
Trustee

- Heard an updated status report on the bond projects.
- Heard reports on the state of the schools.

TRANSPORTATION INFORMATION

Flushing Community Schools has implemented a new bus routing software, My-Ride K12. Please use the link below to download the My Ride K-12 App: <https://myridek12.tylerapp.com/>.

For directions on how to set up your app: https://resources.finalsite.net/images/f_auto,q_auto/v1755552290/flushingschoolsorg/em4rbxor08idif9xva5/Yourparagraphtext_1.png

For any questions, please contact our transportation office: 810-591-2785.

Transportation Variances: If you plan on using a bus transportation variance this year and missed the August 7th deadline, the Transportation Department will still accept your variance request, but it will not be processed or approved until mid-September. If you have any questions, don't hesitate to contact our Transportation Department at 810-591-2785.

FOOD SERVICE

FREE breakfast and lunch will once again be provided to ALL Flushing students. Money may be added to student accounts to purchase a la carte items or a second lunch through the Meal Magic Family Portal.

Please visit <https://bit.ly/45XL8Lh> to learn more about Food Service.

Please take a moment to scan the QR code below and complete the Education Benefits Form and return it to your child's school.

COMMUNICATION TOOLS

With a variety of tools, we encourage students, parents, and caregivers to utilize these means of communication.

Raider Nation News: This newsletter is published six times throughout the school year with information on what is happening in the district. Raider Nation News will be sent home as an insert in the Genesee County View and you may also find it on the district website.

StudentVUE and ParentVUE:

Both of these platforms allow students and parents to view and track student attendance and grades. If you are not currently connected to ParentVUE please contact your child's building secretary for login information.

District and Building Websites:

Our district website is a source of information including district forms and policy documents. flushingschools.org

Facebook: Please visit our school Facebook pages for another way to stay up to date and see what is happening in

our buildings. *District page: Flushing Community Schools, High School page: Flushing High School- Flushing MI, Middle School Page: Flushing Middle School- Flushing, MI, Raider Athletics; Flushing Raider Athletics Page.*

Instagram: Please visit our Instagram page, @flushingcommunityschools, for up-to-date news and to see what is happening in our buildings.

Mobile App: This app allows our district information and news to be sent directly to your smartphone or tablet. Important messages like school closings will be sent. You can download the app by visiting the AppStore or Google Play.

The Raider Reporter: High School digital newsletter is published every quarter and can be found on the district website.

The Raider Review: Middle School digital newsletter is

published every quarter and can be found on the district website.

School Messenger: This is our district and building calling system that allows phone communication with the entire school population. It is important to have an up to date phone number on file so these calls will come directly to you. Text messages can be received in addition to phone calls. Opt in by texting **YES to 67587**. Please be aware of any fees your cellular provider charges for text messaging.

Elementary Building and Classroom Newsletters: Be on the lookout for building communication from your child's principal or specific classroom news throughout the school year. This will be used to share general classroom/ building information.

ANNUAL PUBLIC NOTICE OF CAREER & TECHNICAL EDUCATION OPPORTUNITIES

Each year, Flushing Community Schools offers Career and Technical Education (CTE) courses at Flushing High School. Flushing High School also provides enrollment opportunities in the Genesee County CTE Early Middle College Program. The 2026-2027 courses consist of Business Management Administration (BMA) I and II, Computer Aided Drafting (CAD) and Advanced CAD, Architectural CAD and Advanced Architectural CAD, Introduction to Engineering Design I and II, Marketing & Design, Accounting I and II, and Work-Based Learning (Co-op, Unpaid Learner, and Teacher Cadet). These programs are designed to prepare youth for a broad range of employment and training services and are offered under the guidance of the CTE Director, certified teachers, and a Work-Based Learning Coordinator. For general information about the CTE programs offered through Flushing Community Schools, please contact: Gina Hodgins,

Assistant Principal, 5039 Deland Rd., Flushing, MI 48433. Phone: (810) 591-3775 and Email: gina.hodgins@flushingschools.org

All CTE programs follow the district's policies of nondiscrimination as stated below. Flushing Community Schools does not discriminate on the basis of religion, race, color, national origin, sex (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities. Any questions concerning Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex, and inquiries related to Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap, should be directed to: Jason Melynchek, Deputy Superintendent, Flushing Community Schools, 522 N. McKinley Road, Flushing, MI 48433.

WE ARE EXCITED TO

Megan Martin	Third Grade	Seymour
Cadeyn Merrell	Physical Education	Elms
Kevin Root	Math	High School
Jacon Steinberger	Band Teacher	Middle School
Julia Surratt	Special Education	Springview

Homecoming - Friday, September, 25
RAIDERS VS LINDEN 7 P.M.

ASBESTOS NOTICE
AUGUST 2026

The Asbestos Hazard Emergency Act (AHERA) requires that all school buildings in the United States be inspected for each area of asbestos-containing materials, that an inspection report be prepared for each school building, that a hazard assessment be made for each area of asbestos-containing material, and that a detailed management plan containing response and preventative measures be prepared for each school building. All of these activities are to be conducted by personnel accredited by the Michigan Department of Consumer and Industry Services. Flushing Community Schools undergoes an inspection every three years. A detailed report, hazard assessment, and management plan were prepared during the 1988-89 school year and were submitted to the Michigan Department of Public Health. The plan was reviewed and accepted by the asbestos program of that agency as meeting or exceeding all Environmental Protection Agency (EPA) requirements. Flushing Community Schools has implemented that approved program.

A copy of the AHERA-required report and management plan for each Flushing Community School building is on file in the asbestos program's "designated person's" office at the school district's central warehouse, as well as in the main office of each school district building. They are available for public inspection. This past school year, there was asbestos removal at the H.S., Pipe wrap and Popcorn wall finish, Seymour drywall adhesive, central floor tile, and Springview Pipe wrap. Proper management in place for asbestos-containing materials continues in accord with the approved management plans, AHERA stipulations, EPA regulations and guidelines, and all other applicable law and codes. Questions concerning AHERA activities in Flushing Community Schools may be directed to the school district's "designated person" for AHERA compliance: Jerrod Locascio, Maintenance Supervisor, Flushing Community Schools, 4335 North Seymour Rd. Flushing, MI 48433 Telephone: (810) 591-2796 Fax: (810) 591-0624

Seymour Elementary	Steve Groulx	591-5150
Springview Elementary	Stacey Mesarosh	591-8550

LATCHKEY INFORMATION

Flushing Community Schools is happy to offer Latchkey childcare services for preschool age students, and elementary students DK/Kindergarten through 6th grade. The program is located at the Early Childhood Center at 409 Chamberlain Street. Latchkey hours are Monday through Friday, 7:00 a.m. until 5:30 p.m. daily.

Elementary age students attending Latchkey are transported by bus to and from each of the elementary schools in the district and will arrive on time for the start of the school day. DK/Kindergarten students are taken to class in the morning and picked up by Latchkey staff at the end of the day. If returning to Latchkey after-

school, parents must notify their student's teacher in advance. Latchkey services are available on all half days and early dismissal days of school. The program follows the district calendar and is closed on all holidays when school is closed. Pre-registration is required to attend. Registration forms must be received 24 hours in advance of initial attendance. Transportation waivers are part of the Latchkey registration and require no additional arrangement for enrolled families. Forms can be found on the district website at www.flushingschools.org under the "Departments" tab or picked up at the Latchkey sign-in desk.

Latchkey will open on Monday, August

24th for the start of the 2026-2027 school year. The Junior Raider Latchkey program for preschool age students provides a full-day, fun, and educational experience for preschool-age students ages 3 and 4. The program is designed to promote social-emotional growth with organized and planned curricula to help preschool-age students achieve kindergarten readiness. The program offers half-day as well as full-day opportunities and supports the Tuition-Based Preschool program. Students must be completely potty trained to be eligible to attend. For additional information please call Kathy McMahan, 810-591-1297, or email kathy.mcmahan@flushingschools.org

PESTICIDE NOTICE • AUGUST 2026

Pursuant to Regulation 637 of the Michigan Compiled Laws, you are being informed of the Flushing School District's Integrated Pest Management Plan. It is the goal of our district to minimize pesticide use and exposure to students, staff, and the public. As in the past, pests will be controlled to maintain the integrity of school buildings and grounds, to protect the health and safety of students and staff, and to maintain a productive learning environment. Pesticides will be used only as a last resort when other pest prevention and non-chemical control measures are not feasible, unavailable, or ineffective. You have the right to be notified before any pesticide application is made to the school grounds and buildings.

To request prior notification, please complete the information below and submit to: The Building and Grounds Department at Flushing Community Schools, located at 4335 N. Seymour Road, Flushing, MI 48433. You may contact the Maintenance Department at 810-591-2795 if you have any questions.

PESTICIDE NOTIFICATION FORM — AUGUST 2026

Parent/Guardian Name: _____

Student's Name: _____

School Name: _____

Student's Address: _____

City: _____ Zip: _____

Phone: _____

☐ I wish to be notified prior to a scheduled treatment inside the building.

☐ I wish to be notified prior to a scheduled pesticide treatment on the outside perimeter of the building.

☐ Both of the above.

Signature: _____

Date: _____

FROM THE DESK OF DEPUTY SUPERINTENDENT JASON MELYNCHAK

Welcome to Kindergarten!

The staff at the Early Childhood Center (ECC) is excited to welcome our new Raiders to the Flushing family! Monday, August 24th, is the first day of school for the district. At the ECC, the “first day” looks a little different. This day is a “Meet and Greet” rather than a traditional first day of school. Kindergarten students will NOT ride the bus to school on Monday, August 24th. Rather, they will come to school with a parent/guardian at their scheduled time. The parent/guardian and child will remain with their teacher and spend time getting to know the classroom and school. Families should plan about an hour for their visit. They will spend about 20-30 minutes with the teacher and in the classroom, and will then have time to tour the building, meet additional staff such as the art and physical education teachers, as well as have their school pictures taken.

Monday, Aug. 24th

- Scheduled Meet and Greet, by appointment. Look for sign-up details in the welcome letter.

Tuesday, Aug. 25th

- ONLY Students w/Last Name A-L attend
- Students w/Last Name M-Z do NOT attend

Wednesday, Aug. 26th

- ONLY Students w/Last Name M-Z attend
- Students w/Last Name A-L do NOT attend

Thursday, Aug. 27th

- ALL Students attend

This staggered start allows ECC staff to build relationships with students and get to know them better in a small group setting,

Jason Melnychek

along with teaching rules and routines. Kindergarten students ride the bus with the 1st-6th grade students from their elementary school attendance area. Kindergarten students are dropped off first at the ECC then the older students continue on to their elementary school. At

the beginning of the day, students arriving by bus at the ECC will enter the school on the north side of the building at the playground entrance. Due to the potential for traffic congestion in the area of the ECC and Central Elementary, we strongly encourage parents to have their kindergarten children ride the bus to and from school.

Morning Drop Off: The main entrance on Chamberlain and the southeast building door on Hazelton

are the only areas we allow kindergarten children to be dropped off. We have staff greeting vehicles and we will open your passenger door and escort your child safely inside. Please do not plan to enter the building to drop off or pick up your child. We have many friendly adults in orange vests ready to assist in getting our youngest Raiders to class.

This year's kindergarten students will be the Class of 2039. Our Flushing family is excited to spend the next 13 years with your child. Again, welcome to our ECC family and Flushing Community Schools! We look forward to meeting and educating our youngest Raiders. If you have any questions, please call 810-591-2326.

Lunch/Breakfast:

Similar to our elementary schools, breakfast and lunch are served daily. The Child Nutrition staff will be serving breakfast and lunch in a manner where students can easily pick it up and take it to their designated eating area. Additional information about the lunch process will be provided at the “Meet and Greet.”

THE MAIN OFFICE ENTRANCE AND THE DOOR LOCATED ON THE SOUTHEAST CORNER OF HAZELTON STREET ARE USED FOR PARENT DROP-OFF

End of Day Parent Pick-Up:

Classrooms will be divided by teacher for drive-through pickup at both the turn-around by our playground on the north side of the building and at the front entrance on Chamberlain on the south side of the building. ECC staff will look for your name card in the window. These will be provided at the “Meet and Greet.” We will call your child forward from a secure area to get in your vehicle. For the safety and efficiency of the process, please remain in your vehicle. Walking up to the door to pick-up your child will not be permitted. More information will be provided in the beginning of the year newsletters.

STUDENTS WHO RIDE THE BUS USE THE PLAYGROUND ENTRANCE

When bus riders are dismissed at the end of the day, kindergarten students will be “shuttled” back to their home attendance elementary, arriving just before the elementary schools dismiss.

New Teacher Orientation was a success!

Construction well underway at the high school.

Girls summer basketball camp – gearing up for the 26/27 year!
