Greetings Parents and Community Stakeholders,

Welcome to another exciting school year at Mundy's Mill High School! My name is Ms. Dawn Griffin (Ms. D. "The Plug"), and I am honored to serve as your Title 1 - Community Parent Liaison. I look forward to partnering with you to ensure every student has the support, resources, and opportunities needed to thrive academically, socially, and emotionally.

Now approaching my fourth year in this role, I remain committed to strengthening the connection between home, school, and community. Together, we will build parent capacity and create meaningful opportunities for every family to support student success.

What You Can Expect This School Year:

- Monthly virtual and in-person parent workshops focused on academics, college and career readiness, financial literacy, and student wellness.
- Access to the Parent Resource Center and Parent Resource Virtual Center with educational resources and support.
- Assistance with Infinite Campus Parent Portal to monitor grades, attendance, assignments, and school communication.
- Title I information, parent input opportunities, School Improvement updates, and family engagement events.
- Community partnerships that provide academic, health, and family resources throughout the school year.

Beyond MMHS, I am the founder and sponsor of Image and Beyond Mentoring Group, empowering young women through leadership, emotional wellness, financial literacy, and life skills. Over the past three years, I have coordinated countywide family engagement initiatives and developed partnerships that strengthen support for our families.

Your involvement matters. When families and schools work together, students achieve more. Thank you for allowing me to serve your family. I look forward to connecting with you throughout the year.

Sincerely,

Dawn Griffin
