organizational structure and selection and direction and number of personnel, and all management rights and management functions not expressly delegated in this Agreement are reserved to the School Board.

Section 2. Management Responsibilities: The Union recognizes the right and obligation of the School Board to efficiently manage and conduct the operation of the School District within its legal limitations and with its primary obligation to provide educational opportunity for the students of the School District.

Section 3. Effect of Laws, Rules and Regulations: The parties recognize that all employees covered by this Agreement shall perform the services and duties prescribed by the School Board and shall be governed by the laws of the State of Minnesota, and by School Board rules, regulations, directives and orders issued by properly designated officials of the School District, insofar as such rules, regulations, directives and orders are not inconsistent with the terms of this Agreement, and recognizes that the School Board, all employees covered by this Agreement, and all provisions of this Agreement are subject to the laws of the State.

ARTICLE V EMPLOYEES RIGHTS

Section 1. Right to View: Nothing contained in this Agreement shall be construed to limit, impair or affect the right of any employee or his representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful, and proper performance of the duties of employment or circumvent the rights of the exclusive representative.

Section 2. Right to Join: The School Board recognizes the right of employees to form and join labor or employee organizations.

The dues deduction authorization remains in effect until the District receives notice from the Union that an employee has changed or cancelled their authorization in writing in accordance with the terms of the original authorizing document.

The Union will indemnify the District for any successful claims made by an employee for unauthorized deductions made in reliance upon certification or information received from the Union.

Section 4. Non-Discrimination and Non-Retaliation: The District shall not discriminate or retaliate based on Union membership or any other basis prohibited by law.

ARTICLE VI HOURS OF SERVICE

Section 1. Work Year and Work Day: The normal work day for employees is six and a half (6.5) hours each day that school is in session, however, building supervisors may add hours and/or days to the employees' work schedule as building needs arise. Greater or fewer hours each day and greater or fewer days each week may be provided for as determined by the individual building needs. In some instances, the work year may begin a few days before school or terminate a few days after the school year, again subject to specific building needs. The specific hours to be worked each day are to be determined by the Health Services Supervisor and any lunch break will be exclusive of the work day. All work performed in excess of 40 hours per week shall be paid at the rate of time and one-half.

Subd. 1: When an employee is required to perform the job duties of an absent employee and maintain their normal job duties, the employee will initiate a discussion with their supervisor to clarify whether additional time will be added to the employee's normal schedule or accomplished within the employee's normal hours.

Section 2. Holidays: The following holidays are provided annually:

Thanksgiving Day	Work Day before Federal Christmas Holiday
Federal Christmas Holiday	New Year's Day
Presidents' Day	Floating Holiday (2): The floating holiday must be used on a non-student contact day.

*Juneteenth and July 4th - These holidays will be paid if the employee's summer programming position operates continuously with no interruption—meaning the program begins before the holiday and continues after the holiday occurs. The employee must work the day prior and after the holiday to receive holiday pay. Sick leave/PTO does not count as workdays and is not eligible for holiday pay.

*Labor Day - Labor Day will be paid only if an employee is required to work their school year calendar prior to the holiday, as directed by the Health Services Supervisor, including mandated training or a scheduled workday. Sick Leave/PTO does not qualify as a worked day for holiday pay eligibility. If no work or required training occurs before Labor Day, the holiday will not be paid.

Holiday pay shall be equivalent to an employee's normal daily pay. When the holiday falls on a day when the employee is not scheduled to work, holiday pay is calculated by dividing the number of hours in the employee's typical work week by five (5).

Section 3. Work Breaks: Each employee who works three (3) or more consecutive hours per day shall be provided a paid 15-minute break at an appropriate time as determined by the principal or supervisor. Employees working eight hours per day shall be provided an additional paid 15-minute break.

Section 4. Lunch Period: An employee working five (5) hours or more shall be provided an unpaid one-half hour lunch period.

Section 5. Substitute Pay: Whenever an employee is directed to provide substitute service for a non-bargaining unit employee who is absent for one-half or more of the employee's normal working day, the employee shall be paid an additional \$.50 per hour. Whenever a substitute is hired for an employee, the rate of pay shall be no

less than that of the initial step of the wage schedule. Retirees returning to sub in the district will be placed at the step and longevity in which they retired.

Section 6. Emergency Pay: When School is closed by order of the Superintendent of Schools or other lawful authority and state aid is not impaired, employees will be paid without a deduction from sick leave/PTO for up to three days per school year. In the event there are additional school closings, employees will have the option to use PTO per Article IX, Section 6 or a floating holiday per Article VI, Section 2. Employees reporting for work on a day when school is subsequently closed shall receive pay for hours worked or two hours of pay, whichever is greater.

Section 7. Staff Development: The District will provide the opportunity to attend staff development sessions equivalent to three working days. This will be in addition to regular student contact days.

Section 8. Health Associate LPN, ARN, or Unlicensed Hours: Secondary school Health Associates shall work an additional one-half hour per day (6 ½ hours per day) (exclusive of lunch period). Health Associates have five (5) preparation days per year.

Health Associates who need additional hours per day or days per year due to workload shall provide a written request to the Health Services Supervisor. The Health Services Supervisor will meet with the employee in order to assess the need for an additional time. The initial meeting may include the employee, Licensed School Nurse (LSN), and the Principal. If the parties are not able to reach conclusion on this matter, it will be referred to the Director of Student Services for final resolution.

Section 9. Break and Lunch Period: Health Associates who, due to unforeseen medical events requiring medical expertise, are required to work through a paid 15-minute break or unpaid 30-minute lunch break shall be compensated as follows:

1. If the lunch break is interrupted within the first 15 minutes, the employee may resume their 30 minute lunch period again after the cause of the interruption has been addressed, modifying their time sheet as necessary.
2. The employee may timesheet a lunch break not received and so indicate that an unforeseen medical event requiring medical expertise was the reason for the missed lunch break.
3. If 15 minutes or less of the lunch break or a 15-minute break was interrupted/not received, the employee may leave early from their current shift and/or arrive late for their next shift by the same amount of time provided that doing so is pre-approved by their building Principal and that the employee is in the office during student contact hours.
4. The employee shall schedule regular student-related medications and/or health office visits by students, parents, or guardians outside of scheduled break times whenever possible to minimize interruption occurrences.

ARTICLE VII COMPENSATION

Section 1. Time Sheets: All time worked, including approved time worked before the school year starts, after the school year ends, and mandatory in-service meetings, will be paid for on the basis of a properly-submitted time sheet.

Section 2. Paydays: Paydays will be bi-monthly.

Section 3. Wage Rates: The following wage schedule will be in effect during the term of this contract:

Licensure pay will be applied only if the documentation is submitted to and received by Human Resources in accordance with the deadline dates outlined in the payroll schedule. Any licensure submitted and received by Human Resources by the applicable payroll deadline will be effective the following pay period. Licensure received after the payroll deadline will be effective the subsequent pay period.

Section 4. Continuity of Wage Rates and Experience: If the School District eliminates an employee's position and that employee is rehired at any time during the following school year, the rate of pay and longevity shall be as if the employment had been continuous.

Employees returning to the School District after an approved leave of absence of 12 months or less shall receive the rate of pay and longevity as if the employment had been continuous. Employees returning to the School District after an absence of more than 12 months will be treated as new hires.

Section 5. Longevity Pay: Licensed Practical Nurses/Associate Registered Nurses shall be paid longevity pay, at the rate per hour according to the following schedule, in addition to their wage rate:

15 Years	\$1.90	\$1.90
20 Years	\$2.15	\$2.15

Employees who have completed five, ten, fifteen, or twenty years of service on or before November 15 will receive longevity pay for that school year. Employees who complete five, ten, fifteen, or twenty years of service after November 15 will receive longevity pay effective the following school year.

Effective with the 2026-2027 school year, employees who have completed three, five, ten, fifteen, twenty or twenty-five years of service on or before January 1 will receive longevity pay for that school year. Section 2. Eligibility: Employees must work at least twenty (20) hours per week to be eligible to participate in the school district group health/hospitalization/vision care insurance plans. Employees who worked 20 or more hours per week and were enrolled in insurance and whose hours are involuntarily reduced shall continue to participate in the insurance as if they were working 20 hours. If the employee has the opportunity to take a position equal to or greater than the hours of the original position or is offered a comparable position by the district and decides to decline the position, the benefits for that individual will be reduced.

Section 3. Qualifying Event: Employees may make changes to their insurance as allowable under IRS regulations and in conjunction with the health plan.

Section 4. Dental Insurance: The school district shall make available to employees a dental insurance plan. Effective July 1, 2022 the district shall provide a dental plan and contribute \$66.30 per month towards the cost of coverage. The balance of the premium shall be contributed by the employee and paid through payroll deduction. To be eligible for coverage, employees must work at least twenty hours per week.

Section 5. Life Insurance: Employees shall be provided with fully paid term life insurance in the amount of \$35,000. Employees hired on or after May 1, 2004 must work at least twenty (20) hours to be eligible for life insurance. Group insurance is subject to the terms of the life insurance policy.

Effective October 1, 2026, the amount of basic life insurance for active employees will be \$50,000.00. This increase applies only to current, active employees; former employees or retirees who continue coverage are not eligible for this increase.

Section 6. Long-Term Disability Insurance: The School District will pay the premium for long-term disability insurance for eligible employees enrolled in and who qualify for the School District group long term disability plan. LTD coverage shall be equal to 70% of normal earnings after a 60 calendar day waiting period. Employees may supplement, at their option, LTD coverage through proration of accumulated sick leave. To be eligible for LTD, employees must normally work 20 or more hours per week and be on paid status in the month in which the 60 calendar day waiting period is reached. Upon termination of employment or placement on unpaid status, eligibility for LTD shall cease if not already approved, effective the first day of the month following termination or placement on unpaid status.

Section 7. Proof of Insurability: Employees who withdraw from medical/hospital insurance coverage must furnish proof of insurability satisfactory to the carrier prior to resumption of coverage under this Article.

Section 8. Non-Duplication with Medicare: If the retiree or dependent is entitled or would be entitled if enrolled, to have any part of the cost of eligible services or supplies paid by Medicare Parts A or B, even though the retiree does not enroll in Medicare or waives or fails to claim medical benefits, the service plan will reduce the amount furnished under this contract so that the total amount paid under this contract and Medicare or what is estimated to be paid under Medicare does not exceed the total charges for covered benefits.

ARTICLE IX RETIREMENT

Section 1. Tax Sheltered Annuity: The employer will continue to make available to employees the tax sheltered annuity program pursuant to M.S. 123.35, Subd. 12, and School District policy. The School District reserves the right to limit the vendors of tax deferred programs to those who agree to requirements which meet Federal and State compliance regulations for such plans. Vendors will be given a ninety-day notice to produce evidence of such compliance with regulations. At the end of the ninety-day period, the District will discontinue withholding employees' funds and subsequent transfer of funds to vendors not in compliance.

Section 2. Retiree Insurance: An eligible employee retiring on or after age 55 will be provided the option to continue the medical-hospitalization, vision insurance, life insurance and dental plans by paying the premiums to the School District for 11 years.

Section 3. Sick Leave Accrual/PTO: Unused sick leave/PTO per employee may accumulate to a maximum credit of 230 days. At termination of employment, employees who have 10 or more years of service in the unit shall receive pay for fifty percent (50%) of unused sick leave/PTO, calculated on the basis of the basic daily rate of the employee on the last working day prior to termination.

Section 4. Severance: In applying these provisions, the daily rate of severance pay shall be the basic daily rate of the employee on the last working day prior to termination. Upon retirement, the School District will contribute an amount equal to the value of the employee's accrued severance pay into a 403(b) account established by the employee exclusively for the purpose of receiving such payment (the "Severance 403(b)"). The School District's tax sheltered annuity compliance company will provide verification that the amount of the severance payment will not exceed the applicable IRS limitations on annual additions to all 403(b) accounts held by the employee. In the event the severance payment due exceeds the applicable IRS limits on annual additions in the year of retirement, payments shall be made to the Severance 403(b) each successive January, not to

exceed five successive years, until the total severance amount has been paid into the Severance 403(b). For each successive year, the District's tax sheltered annuity compliance company will provide verification of the amount that the employee may contribute to the Severance 403(b). The employee will not deposit amounts into the Severance 403(b) until the entire severance amount has been paid out by the District.

Section 5. Severance Pay: The Severance Pay worksheet calculation generated by the District must be returned within 90 days of the date of document. If the Retirement Worksheet is not returned within 90 days, the District will establish and deposit the payout to an account of the District's choice with a copy sent to the employee at their address on file.

ARTICLE X LEAVES

Section 1. Sick Leave: Sick leave is intended to be used only if the employee is unable to work because of illness or injury. When an employee is unable to report for work because of illness or injury, it must be reported promptly to the proper supervisor.

Paid sick leave of two days per year for each normal work day per week will be granted each employee (an employee working 5 days per week would receive 10 days per year and one working 3 days per week would receive 6 days per year).

Employees working less than the full year would have their total days or sick leave adjusted on a prorated basis, that is, each 17 days not worked provides one less sick day.

The daily amount of sick leave pay will be determined by the average hours per day the employee normally works.

Subd. 1. Effective the 2026-2027 school year assignment, Personal Time Off (PTO): PTO may be used for absences due to personal matters, appointments, or other needs that require time away from work, subject to supervisor approval and operational needs. When an employee is unable to report for work because of illness or injury, it must be reported promptly to the proper supervisor.

Preplanned PTO usage is subject to the following conditions:

1. Supervisor Approval: PTO must be requested and approved in advance.
2. Notice Requirements: Employees are expected to provide a minimum of 3 days notice of intended PTO use. Emergency situations will be considered on a case-by-case basis.
3. Operational Impact: PTO approval may be limited during periods of high operational demand or staffing shortages to ensure that essential services are maintained.
4. Interaction with Other Leave: PTO may not be used concurrently with other leave entitlements unless specifically permitted by District policy or labor agreement provisions.

Employees are encouraged to plan PTO in a manner that minimizes disruption to departmental operations while allowing for personal flexibility.

PTO of eighty (80) hours will be front-loaded each school year for employees. Employees beginning employment November 1st or after will receive 48 hours of PTO frontloaded, unused PTO from that school year's distribution will be paid out at the end of the school year. Effective April 1, 2026, in the event that a less than full-time employee is hired, they shall earn one (1) hour of PTO for every 30 hours worked.

Section 2. Continuity of Sick Leave: If the School District terminates an employee and the person is rehired within 180 days of separation, any unused PTO will be retained if the PTO is not paid out.

Section 3. Medical: Necessary medical leave without pay, not to exceed one year, may be granted by the employer at its sole discretion to any employee requesting it in writing. Employees receiving such leave shall receive confirmation in writing and shall continue to accrue seniority. The employer may extend the medical leave an additional six months. The employer, on request, may require medical proof of illness. Upon return from such approved medical leave, the employee shall be reinstated to the employee's original position, or if the original position is not available, to a position of like status and pay. Upon approval of a medical leave, the Union will be so notified.

Section 4. FMLA: Leaves shall be granted to eligible employees in accordance with the Federal Family and Medical Leave Act (FMLA). Employees should review the School District's policy regarding utilization of accrued time off prior to requesting unpaid leave. Upon approval of a FMLA leave, the Union will be so notified.

Section 5. Illness/Injury: An employee may use PTO for absences due to the illness or injury of the employee's child, adult child, spouse, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (as defined by Minn. Statutes), with approval of the immediate supervisor and with no salary deduction for each incident, provided that the employee has accumulated PTO from which the absence can be deducted (to a maximum of 160 hours within a 12-month period). (Minn. Stat. § 181.9413.)

Section 6. Bereavement: An absence occasioned by the death of a member of the family (spouse, child, sibling, parent, grandparent, grandchild, or in-law) may be granted up to five (5) days, with approval of the immediate supervisor, with no salary deduction for each incident, provided that the employee has accumulated PTO from which the absence can be deducted.

Section 7. Child Care Leave: Any employee who becomes pregnant shall have the right to continue in regular employment and utilize accrued sick leave/PTO for disability due to pregnancy, delivery, and recovery. The district may require medical verification of disability under this section.

Subd. 1. Any employee shall have the right to receive a child care leave of absence up to 12 months without pay for the purpose of maternity, adoption, care of a pre-school child or combination thereof.

Subd 2. The employee shall submit a written request for a child care leave indicating the beginning date and approximate ending date, to the office of human resources not less than 30 days prior to the intended commencement of such leave except in an emergency. The director of human resources shall consult with the employee regarding the ending date of the leave and may make moderate adjustments in the ending date.

Subd 3. If the employee complies with all provisions of this section and a child care leave is granted by the school board, the school district shall notify the employee in writing of this action.

Subd 4. An employee returning from a child care leave shall be reinstated in the employee's former position unless reassigned pursuant to Article IX, Section 8.

Subd 5. An employee who returns from child care leave within the provisions of this section shall retain their wage rate and any unused leave time accumulated prior to the commencement of the child care leave.

Subd 6. Substituting is permitted.

Subd 7. For those eligible employees, the school district shall continue to pay the school district's portion of the premium for medical/hospitalization insurance for employees on child care leave for a period not to exceed 12 weeks. In addition, the employee may continue any of the insurance programs at the employee's own expense as a member of the group, at the employee's option, while on leave.

Section 8. Request for Leave and Return to Work: Upon written request to the School Board, an unpaid leave of absence not to exceed 12 months may be granted by the School Board at its sole discretion. The employer's written permission shall specify the dates of departure and return. The employee's seniority shall be maintained. Return from leave will be either to a position of like classification and pay, or the employee's former position. The District will develop a form, signed off by both the supervisor and the employee, that will state whether the employee returns to their position or to a position of like classification and pay. If the employee's former position has been eliminated due to school closings, financial limitations, or budget reductions, the employee shall return to a position of like classification and pay.

ARTICLE XI VACANCIES AND TRANSFERS

Section 1. Definition of Vacancy: A vacancy shall be defined as an open position for which there are no persons returning from leave or in need of transfer.

Section 2. Job Postings: All vacant and new positions shall be posted on the District's website. The posting will contain job title and qualifications, and whether the position is temporary or permanent. Employees interested in the position(s) must apply online within the posting period. All jobs will remain posted for a minimum of five (5) working days before the application deadline, except the week before school begins and throughout September, jobs will be posted for three (3) working days. Qualifications, experience, job performance, and seniority will be considered in filling posted positions.

Section 3. Postings and Other Information: Any employee wishing to receive job posting information directly may sign up for the District's listserv via the District's website, www.isd622.org, under Human Resources and Employment Opportunities. These individuals will then receive such job postings via email.

Section 4. Written Notice: Written notice of action shall be sent to all employees who apply within five working days of the filling of such opening. All employees currently employed by the District shall be given opportunity to apply for any job opening.

Section 5. Filling Vacancies. In the event two (2) or more employees have met the required qualifications, experience, and job performance, the most senior applicant shall receive the posted position. Mutually agreeable transfers between employees shall be allowed with the prior approval of the Director of Human Resources.

ARTICLE XII SENIORITY, REDUCTIONS IN FORCE, AND RECALL PROVISIONS

Section 1. Seniority: Employees with one hundred and twenty (120) duty days of regular employment in the School District as an Health Associate LPN, ARN, or Unlicensed shall be granted seniority.

Subd. 1. The seniority date of each eligible employee shall be the first day of scheduled work within this bargaining unit. If more than one employee begins initial employment on the same day of scheduled work, the tie will be broken by first applying the hire date with the employer, and second, if necessary, by adding the last 4 digits of the social security number (higher total – more senior, lower total – less senior).

Seniority shall not be affected by part-time employment status, Board-approved leaves of absence, or inactive status on layoff while retaining the right to return to active employment.

A break in service for a resignation, termination, or failure to return from layoff, shall result in the complete forfeiture of all previously accrued seniority. Any employee who is rehired following a break in service shall be considered a new employee for purposes of seniority and shall establish a new seniority date based on their rehire date, regardless of the length of the separation from the District. Seniority shall be neither credited nor accrued for work performed in positions not covered by this agreement.

Subd. 2. For purposes of seniority, a seniority list of Health Associate - Licensed Practical Nurses, Associate Registered Nurses or Unlicensed shall be issued each year to all employees on or before January 15th of each year. Employees will have the opportunity to challenge the accuracy of their placement on the seniority lists up to February 15th of each year. Final seniority lists shall be issued on February 25th of each year; these lists shall govern all seniority matters until the issuance of subsequent seniority lists on February 25th of the following year.

Section 2. Reductions: In the event the School Board shall terminate a position(s) or otherwise reduce the number of employees covered under this contract, such action shall be governed by the following procedures:

Subd. 1. For purposes of reduction in force and recall, this contract recognizes three (3) classifications of employees: Health Associate – LPN, Health Associate, RN and Health Associate - Unlicensed.

Subd. 2. In the event that a reduction in work force is necessary due to school closings, financial limitations, or budget reductions, the administration and representatives designated by the union shall meet and confer on proposed staff reductions. The union or exclusive representative shall be accorded an opportunity to provide input on proposed reductions in staff.

Subd. 3. Employees qualifying for seniority as provided in Section 1 above shall be given preference for continued employment.

Subd. 4. The School District shall notify all affected employees and the exclusive representative in writing at least two weeks prior to Board action and prior to posting a list of the positions to be terminated, by classification, in the office of each building in the District.

Subd. 5.

Staff Reductions: All staff reductions shall start at the bottom of the seniority list so that no senior person is laid off while less senior staff remains within their classification, except upon mutual agreement by Human Resources and the Union.

Reduction of Staff Hours: In the event where hours are reduced, the District will begin by looking at seniority within that location with the same classification that holds the same level of

work hours. Where hours are reduced within any school year by more than 20% of total time worked for that individual, the employee so reduced may choose from the following options:

1. Accept the reduction of hours, or
2. Accept a vacant position within classification with the same hours, or
3. If no vacancies exist, bump the least senior member within the classification with the same hours, or
4. Accept voluntary layoff and retain seniority and recall rights for twelve (12) months, with the right to bid on positions under Article XI, Section 2, Job Postings, or.
5. If no position within the employee's classification with the same hours is available, the employee will be placed on involuntary layoff and retain seniority and recall rights for twelve (12) months after the date of layoff.

*An employee holding an LPN or RN license may displace an unlicensed Health Associate if they have greater seniority. However, an unlicensed Health Associate, even with greater seniority, may not displace an employee holding an LPN or RN license.

Subd. 6. Recall Rights: Employees qualifying for seniority status shall have right of reinstatement to their former classification in the event their employment is terminated as provided in this section. Right of reinstatement shall with unlimited right of refusal continue for a period of 12 months from the date of termination. All such previous employees shall be returned to the workforce in their classification to a position of similar hours defined as equal to or greater than or not exceeding one hour per day less or more than the position held prior to the reduction. In all cases, an employee may transfer to an open position of fewer hours than the current position. An employee returning from lay-off to an assignment of less than twenty (20) hours per week but with a previous history of twenty (20) or greater hours per week shall be accorded the rights of an employee working at least twenty (20) hours per week. If an employee who has accepted a position of fewer hours, and has the opportunity to bid on and is offered a position of at least twenty (20) hours per week, and the employee declines the position, the employee's work status will be reduced to that of an employee working less than twenty (20) hours per week.

Subd. 7. No new employees nor long-term substitutes shall be employed by the District to work in any classification covered by this contract while qualified employees have the right of reinstatement and express a wish to return to work. A long-term substitute is one who works in the same assignment more than 20 days.

Subd. 8. Substitute Employees: Regular employees awaiting recall who agree to return as a substitute shall return to the same wage rate and longevity schedule as held prior to layoff.

Subd. 9. An employee with reinstatement rights must advise the district in writing of any change of address and telephone number.

Section 3. Notification of Employment: Positions will be continuous from year to year unless notice is given otherwise and such notice shall be provided in writing no later than the last day of the school year. Employees voluntarily terminating will give two (2) weeks written notice to their immediate supervisor.

Section 4. New Hires: The Union shall be notified when new bargaining unit employees are hired. This notice shall include the employee's name, position, job location and contact information (both phone number and

email address). The Union Representative or Union Steward shall meet with the new employee(s) within thirty (30) days of being employed. At that time, the Union Representative or a Union Steward, shall, for up to thirty (30) minutes during employer paid time, make a presentation to the new employee(s) regarding their rights, contract benefits, and union membership as well as providing the employee(s) with union literature and the Union may provide relevant literature for union membership to District Human Resources to have added to the new hire folder. To the extent possible, this time should be scheduled with as many new employees as possible and at a time of day approved by the supervisor.

Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance.

Section 5. Adjustment of Grievances: An effort shall first be made to adjust an alleged grievance informally between the employee and the appropriate supervisor. If this effort is unsuccessful, the grievance shall then be adjusted in the following manner:

Subd. 1. Level I: A grievance shall be attempted to be resolved through informal discussion with the employee's supervisor. In the event the grievance is not resolved through informal discussions, the supervisor shall give a written decision on the grievance to the parties involved within (10) days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Director of Human Resources provided such appeal is made in writing within seven (7) days after receipt of the decision in Level I. If a grievance is properly appealed to the Director of Human Resources, the Director of Human Resources or their Superintendent designee shall set a time to meet regarding the grievance within eleven (11) days after receipt of the appeal.

Within ten (10) days after the meeting, the Director of Human Resources or designee shall issue a decision in writing to the parties involved.

The Board of Education (or its representative) shall give a written decision on the grievance to the Exclusive Representative within fourteen (14) days after the receipt of the grievance, or within seven (7) days after meeting with the Union and/or grievant, whichever is later, provided the meeting happens within fourteen (14) days after receipt of the appeal to Level III.

If a grievance is considered at this mediation level and is unresolved, the matter may be appealed to arbitration pursuant to Section 8 hereof, providing such notice is filed within ten (10) days after the mediation meeting as provided in this section. Nothing in this section shall preclude the union from bypassing this mediation level and appealing directly to arbitration from Subd. 3, Level III decision by the school district.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provide the School Board or its representative notifies the parties of its intention to review within ten (10) days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

Section 7. Denial of Grievance: Failure by the School Board representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 8. Arbitration Procedures: In the event that the employee and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten (10) days following the decision in Level II of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to select a mutually acceptable arbitrator to hear and decide the grievance. If the School Board and the exclusive

representative are unable to agree on an arbitrator, they shall request within twenty (20) days after request for arbitration a list of five (5) names from the Director of the Bureau of Mediation Services, State of Minnesota. These names shall be selected by the Director of the Bureau of Mediation Services from a list of qualified arbitrators who have submitted to the Bureau an application for arbitration service. The parties shall alternately strike names from the list of five arbitrators until only one name remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a toss of the coin. Failure to agree upon an arbitrator or to request a list of arbitrators and proceed to select an arbitrator as per the process described above shall constitute a waiver of the grievance.

Subd. 4. Submission of Grievance Information:

- a) Upon appointment of the arbitrator, the appealing party shall, within five (5) days after notice of appointment, forward to the arbitrator, with a copy to the School Board, the submission of the grievance which shall include the following:

 3. Position of the grievant.

- b) The School Board may make a similar submission of information relating to the grievance either before or at the time of the hearing.

Subd. 5. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing denovo.

Subd. 6. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before him shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by the P.E.L.R.A.

Subd. 7. Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator. The cost of the transcript or recording shall be paid by the requesting party. Any other expenses which the parties mutually agree are necessary for the conduct of the arbitration shall be shared equally by both parties.

Subd. 8. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure.
