Save Cancel

- Once Remote File Access has opened, go to the settings drop-down menu in the top right corner and select “Change Password”.
- Enter your current password in the “old password” field.
- Enter your new password in the “new password”

- Enter your new password in the “Repeat new password” fields.
- Click Save to finalize the change.

This will update & sync your Windows, Google, and Classlink account passwords. This will not affect your eSchool password.

Note: Your new password must be at least 8 characters long, contain at least one number and uppercase letter, and cannot be a repeat of a previous password. Certain easy to guess keywords are also ineligible.
