Forest Hill High School is dedicated to providing students with high-quality learning experiences that will extend into their futures and will integrate learning aligned with cognitive processes and innovation in the context of global enterprise and global mindedness.

Annual Title I Meeting

The Title I Annual Parent Meeting will be held on Tuesday, October 6, 2026 at 5:00 p.m. in the Media Center. Families are encouraged to attend and learn more about our school wide Title I Program and the requirements and benefits it provides to support student success.

Parents and Family Engagement

The following activities will be offered to continue our commitment to help families support learning at home and improve student achievement.

- **Freshmen Invasion.** This activity is designed for all incoming freshmen students and their families. Participants will learn about graduation requirements, academic expectations, course progression, school expectations, extracurricular activities, clubs/organizations, and various academies on campus to ensure students are prepared for, motivated, and stay on track for graduation and postsecondary success. This event was held on Tuesday, August 5, 2026.
- **College, Career, and Financial Aid Readiness.** Parents and guardians will receive information on FAFSA, scholarships, college applications, technical schools, apprenticeships, military opportunities, career and technical education programs, and industry certification pathways. The session will provide families with the resources needed to help students prepare for college, careers, and life after high school. This training will be held in November at 6:30pm in the Media Center.
