August 21, 2026,

Dear Wallkill Families,

We are pleased to announce that the Wallkill Central School District Board of Education has approved an agreement with School Time at Most Precious Blood (MPB) to serve UPK students during the 2026-2027 school year.

At this time, all families who were previously on the UPK waitlist and submitted the required registration packet (attached) have been successfully registered at School Time at MPB. Families can expect to hear directly from School Time soon regarding UPK screenings.

School Time is also planning an upcoming open house. Once details are finalized, we will share that information with all UPK families.

Families who have not yet submitted their registration packet but are interested in a placement at School Time at MPB are encouraged to do so as soon as possible to secure a seat before the school year begins.

If you have any questions, please contact me directly at bmasopust@wallkillcsd.k12.ny.us or by calling 845-895-7128.

Enjoy the rest of your summer!

Sincerely,

Brian J. Masopust
