2026-2027 Device Protection Plan

As part of the 1:1 Digital Learning Initiative (DLI) for the upcoming school year, middle and high school families are able to purchase a Protection Plan for the computer device their child takes home. The cost of the Protection Plan is **$25.00** each school year and is non-refundable. The protection plan covers one incident per school year. Any additional incidents where the Chromebook is damaged again, the parent/guardian is liable for the full cost of the repair or replacement of the device as indicated in the chart below.

Fees for Device Replacement and Repair

Replacement	**Cost**
Replacement Device - Chromebook	$350.00
Repair	**Cost**
Screen, Motherboard, Keyboard, Plastics, Battery, etc.	Fee Varies
Replacement Items	**Cost**
Power Adapter and Cable	$20.00
Protective Carry Case/Sleeve	$20.00

While there is no cost for the use of the device, it is imperative that the device assigned to the student be maintained and handled in a responsible way.

Purchasing the protection plan is in the best interest of the students, families, and the district. To sustain the 1:1 initiative, we must insure against losses, and the protection plan helps us to do that. Families may opt out of the protection plan, but if the device is damaged, the parent/guardian is liable for the full cost of the repair or replacement of the device. If the parent/guardian chooses to purchase the Chromebook protection plan, the protection plan must be purchased before any damage occurs and payment must be made in full by **September 11th, 2026.**

If the district determines that the device was damaged due to deliberate misuse or neglect, the protection plan will not be applicable and the cost to repair or replace the device will be placed on the student's account until the debt is paid in full. The Parent/Guardian will be notified by mail of any fees applied to their student's account.

If you would like to purchase the protection plan, complete the attached form and return it with full payment no later than **September 11th**. Late payments will not be accepted.
