

Free School Meals

for Skyline Elementary students

New for School Year 2026–27

Thanks to Washington State House Bill 1238, all students in **Skyline Elementary** will receive **FREE breakfast and lunch** every school day during the **2026-27 school year**. These schools have at least 30% of students who qualify for free or reduced lunch.

What if my child attends a middle or high school, or another elementary school not mentioned above?

Children attending middle or high school are not automatically eligible for free meals under this law and only students at Skyline Elementary currently qualify. If your other children do not qualify for free or reduced-price meals, you will still be charged for their school meals.

Do I still have to fill out an application to qualify?

Meals are free, but the application still matters!

Your child will still receive free meals whether or not they fill out the application, **but you may miss out on other reduced fee benefits available to you if you skip it.**

The approved application with signed consent form supports these additional benefits:

- Reduced fee waivers for some school building programs
- Reduced fee waivers for district Chromebook protection plan and ASB card fees
- Reduced fee waivers for community youth sports and college applications
- Reduced fee for access to local Internet and PUD electrical programs
- Additional state and federal funding (like Title I)

To apply for free or reduced-price meals for middle or high school students, please visit:
www.lkstevens.wednet.edu/free-reduced

Who gets free meals?

All children enrolled in Skyline Elementary school within our district.
