

26-27 G/T Test Request using ParentSquare

To get started, log into the ParentSquare App or ParentSquare.com to access this post.

1. Review the Gifted and Talented Testing Request post in ParentSquare and click 'Complete Form'

A version of this post may also be found in your email or text, if associated with your ParentSquare account.

2. Select the student that will be associated with the request. This will auto populate the Student ID and Grade Level.

A drop-down will appear with your child's name. If you have multiple children that require testing, you will submit the form individually.

3. Complete all fields with an asterisk (*) and submit form.

4. To review your submission, click on 'Forms' on tab within the app. You can also review your submission by reviewing your ParentSquare notifications in email or text.
