

PLEASE HELP US KEEP EMERGENCY ACCESS CLEAR

A friendly safety reminder for Sabine Intermediate student pick-up drivers

YOUR HELP CAN SAVE VALUABLE TIME DURING AN EMERGENCY

WHAT HAPPENED ON AUGUST 20, 2026

At approximately 3:45 p.m., fire crews responded to a reported mobile home fire inside Sybert Mobile Home Park. Fortunately, the fire was quickly suppressed and no one was injured. During the response, vehicles waiting for student pick-up in the travel lane and near intersections made it difficult for the first-arriving fire engine to turn from Old State Highway 135 onto Guinn Street and from Guinn Street onto Sybert Street.

HOW YOU CAN HELP

- **PULL RIGHT:** Park as far to the right and as far off the traveled roadway as safely possible. Do not remain centered in the lane.
- **KEEP INTERSECTIONS OPEN:** Leave street corners and intersections completely clear so large emergency vehicles have room to turn.
- **WATCH AND LISTEN:** Remain alert for emergency lights and sirens and keep your vehicle ready to move.
- **YIELD IMMEDIATELY:** Move right and stop clear of the intersection until the emergency vehicle passes. Please follow directions from school staff, police, fire, or EMS personnel.

WHY WE ARE ASKING

This message is not intended as criticism of parents or caregivers. Most drivers may not realize how much room a fire engine needs to turn. Even a short delay can affect a fire, medical, or law-enforcement emergency. We appreciate your help keeping the route open.

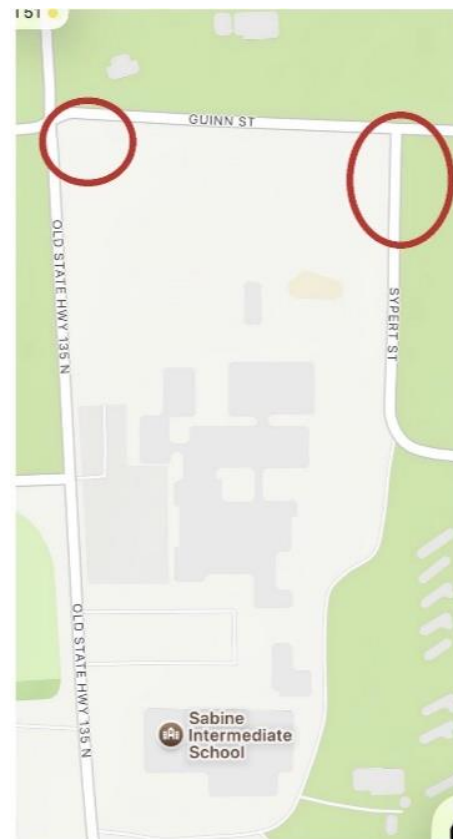

A FRIENDLY LEGAL REMINDER

Texas law requires drivers to yield to emergency vehicles and keep intersections clear. Texas Penal Code §42.03 - Obstructing a highway or passageway. Texas Transportation Code §545.302 - Prohibited stopping, standing, or parking.

THANK YOU FOR YOUR HELP

KEEP THESE TURNS CLEAR

Red circles mark the critical turns at Old Hwy 135 / Guinn St. and Guinn St. / Sybert St.

MOVE RIGHT. KEEP INTERSECTIONS CLEAR. HELP US REACH THE EMERGENCY.
