THE BARONS BUZZ

A DISTRICT COMMUNICATION

AUGUST 14, 2026

Welcome Back, Barons!

Welcome to the 2026–2027 school year! Whether your family has been at Buckeye Valley for generations or you're joining us for the first time, we're thrilled to have you here.

As we begin the school year, we want to make sure you have easy access to all the essential tools and contacts for your family.

Main Office Contacts: Have a question about attendance, daily routines, or school events? Give your building's main office a call:

- **Buckeye Valley High School:** (740) 363-1349
- **Buckeye Valley Middle School:** (740) 363-6626
- **Buckeye Valley East Elementary:** (740) 747-2266
- **Buckeye Valley West Elementary:** (740) 666-2731

ParentSquare: ParentSquare is our primary tool for district and school communications. You'll receive emergency alerts, principal updates, and classroom notices all in one place. If you need help setting up your account, please reach out to Cassie Holewinski via email at cholewinski@mybvls.org.

Important Links & Parent Portals: We know managing multiple accounts and passwords can be tricky. All key parent tools are available on our website, www.mybvls.org, under the "Our Families" tab:

- **PowerSchool:** View student grades, schedules, and attendance records.
- **Schoology:** See daily assignments, course materials, and classroom announcements.
- **FinalForms:** Complete yearly contact updates, medical forms, and athletic waivers.
- **PayCentral:** Put money on meal accounts and pay school fees.

Calendars, News & Social Media

- **District Calendars:** Visit our website to view upcoming events for all buildings, or download the printable [2026–2027 Academic Calendar](#).
- **The Baron Buzz:** Look for our weekly email newsletter every Friday for news, information, and student highlights.
- **Social Media:** Follow us on Facebook and Instagram for photos, event reminders, and everyday updates.

We're so glad to have your family in our Buckeye Valley community. Here's to a great year!

Stopfinder Update

Stopfinder, the district's bus tracking system, has been updated for the 2026-2027 school year. Please note that as we begin the new school year, bus routes and pickup/drop-off times are still being actively adjusted. During these first few weeks, you may see changes as driver routes settle into a regular routine. Once timing is finalized, the schedules on Stopfinder will become much more accurate and reliable.

Thank you for your patience and support as we work to ensure safe and smooth transportation for all of our students!

Final Reminder: Complete FinalForms for the 2026-2027 School Year!

Attention Buckeye Valley families! All current BVLS parents and students in Grades K-12 for the upcoming school year must log in to FinalForms to complete and sign all required forms as soon as possible.

The good news? FinalForms saves your data from year to year, so updating your information will take only a few minutes!

What you'll need to review or update:

Basic medical history and health information
Insurance provider and policy number
Contact information for your doctor, dentist, and medical specialists
Emergency contacts
New proof of residency (if your family has recently moved)

Please take a moment to log in to your [FinalForms](#) account today to ensure your student is ready for the first day of school. If you have any questions, please reach out to Cassie Holewinski at cholewinski@mybvls.org.
