

Fall 2026 Before & After School Programs begin
Monday, August 24! Explore hands-on opportunities
for students to create, connect, learn, and have fun.
Grade ranges, program dates, and availability vary
by offering.

Before School
8:00AM-9:15AM

TABLE TOP CLUB

6th-12th Grade
Monday - Friday
Science Lab

Students will create their own characters, design and 3D print custom miniatures, and work together through an ongoing fantasy adventure filled with challenges, choices, and creative problem-solving. Along the way, they'll build teamwork, storytelling, strategy, and imagination as their campaign unfolds!

CIRCUIT TRAINING

6th-12th Grade
Tuesday - Friday
Fitness Lab
(Portable #9)

Start the day strong with guided morning workouts focused on building strength, endurance, confidence, and healthy habits. Students will set personal fitness goals, track their progress, and learn how consistent effort adds up over time!

Michael Tucker
Learning Center (MTLC)

758 N Shoreline Drive
Wasilla, AK 99654

(907) 671 - 6651

Fall 2026 Before & After School Programs begin **Monday, August 24!** Explore hands-on opportunities for students to create, connect, learn, and have fun. Grade ranges, program dates, and availability vary by offering.

After School
3:45PM-5:00PM

FUTURE ANCESTORS

5th-12th Grade
Monday - Friday
Simulator Lab
(STEAM Main Area)

Rooted in Knik Tribal Values, Future Ancestors Club connects ALL youth with Alaska Native culture through hands-on activities including skin sewing, traditional foods, Yup'ik dance, storytelling, Native arts, plant knowledge, and self-care. Students will learn from traditions of the past while creating, sharing, and carrying knowledge forward for future generations.

E-SPORTS CLUB

7th-12th Grade
Monday - Friday
Computer Lab &
Science Lab

A fun, team-focused space to build communication, strategy, problem-solving, and sportsmanship through competitive gaming. Students can practice and compete in games such as Super Smash Bros., Valorant, and League of Legends while developing teamwork and mental resilience.

MEDIA MAKERSPACE

6th-12th Grade
Monday - Friday
Storyteller Lab
(Portable #8)

A creative playground where students can explore photography, filmmaking, podcasting, video editing, animation, and other forms of digital storytelling. With access to professional media tools and support, students are encouraged to follow their own ideas, collaborate with others, experiment, and share their creations!
