

CATA “Path to Graduation” Worksheet

This document is meant to assist students and parents with course selections and ensuring they have the classes needed for graduation. Students are strongly encouraged to meet with their assigned counselor to review this document.

Items in **bold** are required for graduation.

***Health/Physical Education is a graduation requirement and should be taken during freshman year.**

***Beginning with the class of 2029, all students must have an art credit to graduate. Most students will earn this credit in middle school. Students can ask their counselor about the status of their art credit.**

***Beginning with the class of 2030, all students must have a computer science credit to graduate. Some students will earn this through their academy classes. Other students will be enrolled in a computer science class during 9th or 10th grade.**
