Kinder Highlights

What's in the Bag starts this week! Don't forget to check your child's day in the communication your child's teacher sent. We will start with letter "A"- please refer to the directions on the sheet if you have questions!

Some helpful reminders for drop-off:

1. Please do not get out of your car, tutors are there to let students out of the car.
2. If you have parked to walk in, you will line up with the line outside and a tutor will be there to help students know where to line up.
3. The orange car tag should be on the passenger visor so that we can see the name.

Please remember to check your child's blue folder each night and send it back to school with them each day!

Curriculum

Phonograms – "o" and "c"

Math – Sort, Match and Classify (same/similar, right/left)

Handwriting- We are learning to write 2 o'clock letters, as well as identifying and using the top, base and midline correctly, and correct pencil grip

Literature – The Giving Tree, Chicken Little, The Little Red Hen, One, and we begin Mother Goose Rhymes!

Core – Our Five Senses

Recitations: "Mary Had a Little Lamb," and "Twinkle, Twinkle, Little Star"
