- **Testing Accommodations**—If your student has an Individual Educational Plan (IEP), a Section 504 Plan, or is an English Language Learner (ELL) or a recently exited ELL, please contact the school to discuss the testing accommodations that will be provided for your student.
- **Testing Irregularities**— If a testing irregularity occurs in your student's testing room, as part of a school investigation, your student may be asked questions to provide information about the incident. In addition, your student may need to retake the test if a suspected irregularity is reported that may affect the validity of the test results.
- **Extra Time**—Any student still working at the end of the allotted time for the session will be provided extra time, as allowed, to complete the test. However, based on directions from the district, students who are not actively working (e.g., sleeping) at the end of regular time may be dismissed rather than being given extra time.

If you have any questions related to this test administration, you may contact Chantel Goodwin at CGoodwin@charterk12.com.

Thank you for supporting your student and encouraging him or her to do his or her best on the test.

Sincerely,
