

Good Evening Rialto High School,

This is your Principal, Dr. Sweeney, with your Sunday phone call.

Our biggest announcement for the week is Back to School Night, this Thursday, August 27th. Food Trucks start at 4:45pm, Principal's message in the theater at 5 and begin meeting your teachers at 5:15.

Also, this week there is an AVID family night on Tuesday the 25th starting at 5:30pm in the theater. Come learn about the program, applying to college, and the upcoming junior college trip.

In addition to back to school night this Thursday, Rialto High school is also offering its first blood drive of the year. Sign up to donate during the school day and possibly earn a cord for graduation.

Students and parents, attendance always matters, not just present but on time. Students must be in their first period seats at 8:40am. Please drop off before 8:30am so they can be sure to make it on time.

Sports for the week. Monday is flag football versus Summit. Tuesday is girls' volleyball versus Kaiser. And Thursday is girls' volleyball versus Rancho Verde.

That's all for the week, Rialto. Have a great week and remember our instructional focus is critical reading and writing across the curriculum and once a knight, always a knight.
