

IB Admissions Policy

Description of Selection Process

Lee's Summit West allows any student to become a candidate for the DP or CP Program as long as they meet the course prerequisites. Based on board policy and legal ramifications, the school is not allowed to deny anyone entrance. All students interested in the program must meet with the coordinator to develop a schedule, discuss core requirements, and review the program's demands and expectations. Students are advised to join the program based on their GPA, attendance, and the conversation held with the coordinator. Last reviewed June 2026.
