Parent/Guardian Commitment

I support my student's development as a creative and confident learner by:

- Encouraging consistent attendance in scheduled music classes.
- Supporting participation in up to two evening performances each year. I understand transportation is my responsibility.
- Recognizing that music is a year-long commitment. Any changes will be made in collaboration with the music teacher and school administration.

Through music, I contribute to my school community and grow as an artist and learner.

As a member of the ensemble, I am a **collaborator**, **resilient learner**, and **communicator**. I will:

- Be present and fully engaged in music class when I am at school.
- Take responsibility for making up any classwork missed during music.
- Commit to a full year of musical growth, knowing that effort and practice help me improve.
- Follow classroom expectations so everyone can learn, create, and enjoy making music together.

Classroom Teacher Commitment

I support this student's creative growth by:
