

Congratulations, Senior

The first step of your senior year is your senior portrait session. This experience is designed to be more elevated than prior school pictures for a reason. Senior portraits celebrate a once-in-a-lifetime season, and we want every student, now a soon-to-be senior, to feel seen and celebrated.

We are excited to partner with CADY for senior portraits. For more than 25 years, CADY has served schools with a distinctive approach to senior photography, combining beautiful studios, premier customer service, and the artistry to capture each senior's unique story.

From being photographed on location to quick and easy yearbook portraits, there's a session type for everyone. Elite, Most Popular, and Traditional sessions include the option to choose your photo(s) for the yearbook, if you are photographed before your yearbook deadline.

The best times book fast, so we recommend scheduling early to get ahead of your busy year!
