WELCOME TO SCHOOL COUNSELING

2026-2027 School Year

Dear PBY Parents, Students, and Staff,

Welcome to the 2026-2027 school year! The PBY Elementary School Counseling Program is excited to partner with our entire Knights community. Our goal is to help every student feel safe, supported, confident, connected, and ready to learn. School counseling is a team effort, and strong partnerships between home, school, and our students help create the best opportunities for growth and success. -Mr.Clark

How the School Counseling Program Supports Students

- ★ Classroom guidance lessons focused on social-emotional learning, academic success, positive behavior, friendship skills, decision-making, coping skills, and career awareness.
- ★ Short-term individual check-ins for students who may need extra encouragement, problem-solving support, or help adjusting to school concerns.
- ★ Small-group counseling opportunities based on student needs, such as friendship, self-esteem, emotional regulation, grief, family changes, or school success.
- ★ Collaboration with parents, teachers, administrators, and community partners to connect students and families with helpful resources.
- ★ Schoolwide activities that promote kindness, belonging, attendance, responsible choices, and a positive school climate.

A Message to Our Students

Knights, your school counselor is here to listen, encourage you, help you solve problems, celebrate your progress, and remind you that your voice matters. Asking for help is a strength. We want you to come to school knowing that you belong at PBY and that there are adults here who care about your success.

A Message to Parents and Caregivers

Families are important partners in student success. Please reach out when your child is experiencing a change, challenge, or concern that may affect the school day. We also welcome communication when you need school or community resources. Working together allows us to provide consistent support for your child.

A Message to PBY Staff

Thank you for helping create a caring and supportive environment for our students. The counseling program looks forward to collaborating with teachers and staff through classroom guidance, student support, consultation, prevention activities, and referrals. Please continue sharing concerns early so we can work together to support students.

How to Connect With School Counseling

STUDENTS	PARENTS	STAFF
Ask your teacher or another trusted adult to help you connect with the school counselor.	Contact the school when you would like to discuss a concern, request support, or learn about available resources.	Use the school's established counseling referral process or contact the counselor for consultation and student support.

Together, we can help every PBY Knight learn, grow, and shine!
