WHY CHOOSE SCHOOL MEALS?

School meals include nutritious foods including fruits, vegetables, lean proteins, milk, and whole grains. Consistent exposure to a wide variety of foods not only encourages students to try something new, but also helps build lifelong healthy habits and a positive relationship with food. School meals are also a great value. Each lunch meal comes with a **PROTEIN, GRAIN, FRUIT, VEGETABLE, & MILK**. Breakfast comes with a **GRAIN, PROTEIN/GRAIN, FRUIT, & MILK**. Students must take at least 1 serving of fruit or vegetable, but can select up to 2 servings. Where else can you find that kind of deal?

WHERE CAN I FIND THE MENUS & HOW TO ACCESS?

Starting this school year, monthly menus will be posted online through SchoolCafé.

Click on the link to view the menus, schoolcafe.com/schooldistrict/menus. Digital menus include calories, fat, carbohydrates, sodium, potential allergen & more! The District website will also have a printable PDF monthly menu. While we try our best to follow the posted menu, ongoing supply chain issues necessitate substitutions at times. Please contact us if you have questions or concerns about menu changes or product substitutions. We appreciate your patience, understanding, and flexibility as we work to provide nutritious school meals in this challenging and changing environment.
