August 2026

Dear Baldwin High School Students and Families,

Welcome to the 2026-2027 school year!

The start of a new school year provides every student with an opportunity to set personal goals and establish a course toward growth, improvement, and achievement. Whether you have already identified a career path or are still exploring your future possibilities, what matters most is creating the conditions for **inevitable forward momentum** by focusing on doing your best in school and being your best within our school community.

Doing your best and being your best are the foundational building blocks for future success. These habits are transferable to every meaningful accomplishment in life and will serve you well regardless of the path you ultimately choose.

Parents and guardians are encouraged to regularly check the *parent portal* to monitor student progress, attendance, and stay informed. I also encourage you to bookmark our high school webpage at **www.baldwinschools.org/bhs** and visit the *For Parents and Students* section, which serves as the primary information hub for Baldwin High School. All student schedules shall become visible on the portal on **August 21, 2026, at 3 PM.**

Throughout the year, I will continue to share my newsletter, *From the Desk of Mr. Poprilo*, which highlights important dates, school events, opportunities for students, and the many accomplishments of our active and vibrant school community.

As we begin the school year, I ask all students to embrace the following essential daily responsibilities:

- Carry your student ID every day for attendance and access to school systems and resources.
- Ensure all prohibited internet-enabled electronic devices remain secured in your Yondr pouch. Yondr Student Phone Procedures
- Remain in class for the first 10 minutes and the last 10 minutes of each period.
- Follow our closed-campus expectations during periods 1-3 for students in grades 9-11.

These simple responsibilities help maximize the value of every school day by minimizing distractions, preserving instructional time, and creating the conditions for learning and achievement.

Our success plan for each student is predicated on a focus on regular attendance and punctuality. We have a busy campus and understanding and following our arrival and dismissal procedures is crucial to ensuring

daily success. Additionally, familiarity with, and adherence to, our Code of Conduct ensures a safe and orderly learning environment.

I am committed to leading Baldwin High School with a culture of care and a relentless focus on achievement.

Our talented, highly qualified, and dedicated staff will continue to create the conditions necessary for every student to experience **inevitable forward momentum** as they prepare for the future of their choosing. Please know that I am always available to support you and your child. Enjoy the remainder of your summer and thank you for your partnership as we begin what promises to be an exciting and successful school year.
Sincerely**,**

André H. Poprilo, Principal
