Welcome to 6th grade!

We are excited to start a new school year and can't wait to see what we will accomplish together. 6th grade is a time to learn new things, build friendships, discover your strengths, and grow through new experiences. There will be challenges along the way, but every challenge is an opportunity to learn and improve.

This year, we hope everyone comes with a positive attitude, a willingness to work hard, and the confidence to ask questions when they need help. Success isn't about being perfect —it's about showing up each day, giving your best effort, and continuing to grow.

Thank you to our families for partnering with us throughout the school year. Your support, encouragement, and communication make a tremendous difference in helping students succeed both in and out of the classroom.

We are looking forward to a year filled with learning, laughter, teamwork, and success. Let's make this our best year yet!

Communication

Conference:

1:15 pm - 2:45 pm

Talking Points app

Email

Grading

- There will be 2 test grades minimum that will be averaged and count as 50% of the final grade.
- There will be 10 grades minimum that will be averaged together to count as 50% of the final grade

Grading Cont.

- IPR's will be sent home every Tuesday with the current grade in each class
- All Grades below 70% can be corrected for a grade up to 70%. Each corrected question will receive $\frac{1}{2}$ credit back.

Classroom Expectations

Be Respectful

Be Responsible

Be Ready

Try Your Best
