

Somis Union School

Classroom Supply List 2026 - 2027 (Optional)

Dear Parents,

As a public school, Somis School provides all regularly needed school supplies. You can help us extend our program and enhance the products students create in class by sending school supplies with your child on the first day of school that are both shared and kept for individual use. For those students who do enjoy shopping for school supplies, listed below are the **suggested** and appropriate supplies for each grade level.
