Policy #2008.1.1

Communication with Non-English Speaking Parents and/or Guardians

EASTCONN will take reasonable steps to ensure that persons with Limited English Proficiency (LEP) have Translation and Interpreting Services available to them for communication with students, parents and/or guardians.

Language assistance will be provided through the use of competent bilingual staff, staff interpreters and/or organizations that will provide interpreting or translation services.

This policy is to ensure meaningful communication with LEP individuals.
