Central York High School
Parking Application Form

The privilege of student driving will be extended to students based on their conduct and attendance throughout the school year. Please read the following Rules and Regulations that will need to be followed by every student driver. Please note: Parking Permits must be renewed every year.

1. The attached driver information form must be completed in full and a **$20.00** non-refundable payment must be provided before a parking permit can be obtained. The payment may be cash or check made payable to Central York School District.

2. Students may register up to two vehicles for the school year. If the student changes vehicles during the school year, he/she must report the vehicle information to the Discipline Office. Failure to do so may result in a tire lock being placed on the vehicle.

3. A parking ticket will be issued for violations of the parking regulations. These include, but are not limited to:

    * Parking without registered permit
    * Parking permit not displayed- must be visible through windshield
    * Parking in the EVENT, FACULTY, or VISITOR LOTS
    * Parking while the permit is suspended

4. Receipt of a parking ticket will result in the following:

    1st – Warning
    2nd – A $10 fine will be charged.
    3rd – A tire lock device will be placed on the vehicle.
    A fee of $10.00 will be charged to remove the device.
    4th – Parking privileges are suspended for the remainder of the year.

5. Please be reminded that all laws currently in effect, established and published in the Pennsylvania Motor Vehicle Code, will be strictly enforced. Speed limit is 15 mph while driving on campus. Speeding or unsafe driving will result in suspension or revocation of driving privileges.

6. Students are expected to arrive to school and be in their assigned area by 7:45 AM. Loitering in the parking lot is prohibited.

7. Students are not permitted to go to their vehicles throughout the school day unless escorted by Security Personnel when they are available.

8. The school district will not be responsible for any damages that may occur to students' vehicles while driving/parking on the school grounds. We will make every effort to ensure that the campus environment is safe. The parking area will be under 24 hours a day surveillance. If necessary, video footage will be reviewed and used as evidence of any misconduct on campus.

9. If an accident occurs, report the incident to the main office as soon as the incident occurs. Springettsbury Township Police will be notified immediately.

10. If it is reasonably suspected that a student has illegal material in his or her vehicle on school property, it will be searched by administration. Possession of illegal or inappropriate material in a vehicle on school property will result in disciplinary consequences and a suspension of parking privileges. Such materials may be used as evidence against the student in disciplinary proceedings. In addition, school personnel will immediately notify the police and advise them of the circumstances which led to their belief of the possession of illegal materials.

Parent Signature Required Below:

We have read and understand all the information, and rules and policies in the Student Driving/Parking Permit Application, and hereby grant permission for my son/daughter to park a vehicle on the property of Central York High School. I understand that the District assumes no responsibility or liability for vehicles or their contents while parked on the property. Students are advised that vehicles parked on school property are subject to random, periodic and/or sweeping inspections and searches (including the use of certified scent dogs) if there is a reasonable suspicion that a violation of school policy, and/or local, state, or federal laws has occurred. Students who fail to register their vehicle, or continue to park on school property following a parking suspension may have their vehicle disabled by a tire-lock device. A fee of $10.00 will be charged to remove the tire-lock device.
