About Me

Hello! My name is Amber Peterson. I recently moved to Rock Springs with my husband, son, and three of our daughters. We also have another daughter who is grown and starting a life of her own. I enjoy exploring nature, camping, fishing, and photography. When I am at home I enjoy baking, sewing, and reading.

My Experience

I am thrilled to be starting my first year here as a Preschool Teacher Assistant. I spent the last two years working in a small K-12 school in Kansas. I held several roles during that time, including being a paraprofessional, a reading and math interventionist, and working with 7th graders in Family and Consumer Sciences. I found that I truly love working with the youngest of learners and having the opportunity to help shape their lives in a positive way.
