School Activity Funds

School activity funds may be expended only for purposes which may benefit the student body of the school. All rules, regulations, and procedures for the conduct, operation and maintenance of extracurricular accounts, and for the safeguarding, accounting and auditing of all monies received and derived from those accounts are to contribute to that objective.

The accounting system for managing student activity funds shall be designed to encourage the largest possible educational return to students without sacrificing the safety of funds or exposing students to undue responsibility or unnecessary routine.
