August 2026

Dear Parent or Guardian,

We wanted to inform you that student account passwords for grades 6-8 will be reset on the afternoon of Monday, August 24th. The new passwords can be found on the Summary page of your Parent Portal.

Please inform your child of their new password and ensure they practice using it, as they will need it to access their Chromebook and Classlink to both complete their summer assignments for language arts and mathematics as well as to participate in classes come September 8th. We also ask that you remind your child of the importance of keeping passwords and other identifying information confidential, as passwords act as the first line of defense against unauthorized access to accounts.

Thank you for your attention to this matter.

Sincerely,

Julie Szustowicz
Pine Brook Principal
