What This Partnership Offers Nazareth Academy Students

Guaranteed Admission*

Nazareth Academy students who meet the partnership requirements and apply to Saint Joseph's University through Early Action or Early Decision by November 15 of their senior year are guaranteed admission. Students must have a minimum 3.75 cumulative weighted GPA on a 4.0 scale and complete all required application materials.

Annual Merit Scholarship

Students who enroll at Saint Joseph's University through this partnership are eligible for a minimum \$30,000 four-year merit scholarship award, representing a total value of \$120,000.

Four-Year Excellence Award

Students are also eligible for a \$5,000 four-year Excellence Award, bringing the potential combined value of the merit scholarship and Excellence Award to \$140,000 over four years.

Additional Financial Aid

Students may also be eligible for additional need-based financial aid. Families should complete the FAFSA to be considered for need-based assistance.

*Special Program Admissions Requirements

Students applying to Nursing, Physician Assistant Studies/Health Science, or SJU's Direct Entry programs in Occupational Therapy, Physical Therapy, or Pharmacy must meet additional high school coursework and GPA requirements.

Program	Additional Requirement
Nursing	Complete two years of algebra, one year of geometry, and three years of science with a lab; maintain a cumulative weighted math and science GPA of 3.00 or higher.
Physician Assistant Studies / Health Science	Complete two years of algebra, one year of geometry, and three years of science with a lab; maintain a cumulative weighted math and science GPA of 3.00 or higher.
Direct Entry Occupational Therapy	Complete two years of algebra, one year of geometry, and three years of science with a lab; maintain a cumulative weighted math and science GPA of 3.00 or higher.
Direct Entry Physical Therapy	Complete two years of algebra, one year of geometry, and three years of science with a lab; maintain a cumulative weighted math and science GPA of 3.00 or higher.
Direct Entry Pharmacy	Complete two years of algebra, one year of geometry, and three years of science with a lab; maintain a cumulative weighted math and science GPA of 3.00 or higher.

Scholarship note: For Doctor of Pharmacy (PharmD) majors, the merit scholarship and Excellence Award are available only for the first two years of undergraduate enrollment.

*Application & Academic Requirements

Students applying through the partnership must submit all required application materials by the early decision deadline, November 15th.
