

Eden Valley Watkins Co-Curricular Guide

2026-2027

MISSION STATEMENT

Eden Valley-Watkins Schools recognizes the need to provide a challenging and appropriate education, meeting the needs of the whole individual. EV-W has many co-curricular activities which try to meet the needs of the whole person. This booklet contains the co-curricular activities for students in grades 7-12. We would like to encourage student participation in these activities.

EXTRA CURRICULAR ACTIVITIES

Although the primary purpose in school is to educate, many different services and activities are available to youth. To become a well-rounded and fully developed person, take advantage of these "extras." They are intended for you. Without you, there would be no school. Make the most of yourself and your school by becoming involved in its daily life. A wide variety of out-of-class activities are available. No matter what your interest may be, there's a club, activity, or sport for you. Use your talents - get involved! **Remember that if you plan on participating in an activity at night, you must be in school at least four out of seven periods. Furthermore, you must also attend the sports information meeting held each fall.**

EXTRA-CURRICULAR PARTICIPATION FEES

EDEN VALLEY-WATKINS PUBLIC SCHOOLS ACADEMIC STANDARDS FOR STUDENT PARTICIPATION IN EXTRACURRICULAR ACTIVITIES

Revised: 5/29/2020

I. ACADEMIC ELIGIBILITY

A student's academic work is the most important aspect of his/her education. To be eligible to participate in activities and athletics, students must receive passing grades in all classes and must be making satisfactory progress towards an on-time graduation. There will be 4 official grade checks throughout the school year which will take place at the end of each quarter. Students who do not maintain the minimum scholastic standards will be notified by the activities director and/or his/her coach/advisor that they have lost eligibility for a prescribed period of time.

Any student receiving one or more failing grades at the end of a quarter is ineligible for a minimum of two weeks from the date that their grades are considered "final". In those two weeks the student cannot compete in any contests, but is expected to attend all practices.

- 1) At the end of the two weeks the student will be required to complete an Academic Performance form. Academic Performance forms will be handed out by and turned in to the activities director.
 - a) Students that submit the form with passing grades from all teachers are allowed to compete effective immediately.
 - b) Students that are still failing will continue to be ineligible until they are passing all classes and can turn in a form that reflects that information. Students who do not return the form to the activities director are also considered ineligible.
- 2) Students will start each school year based on their last quarter grades. There is a carryover of failing grades from one school year to the next. However, since fall athletes (Football 9-12, Volleyball 9-12, Cross Country 7-12) typically start three weeks before school starts. Therefore, the following contest ineligibility will be followed.
 - ☐ Cross Country – 2 Events.
 - ☐ Volleyball – 2 Events.
 - ☐ Football – 2 Events.

**Scrimmages are not considered an event, therefore a student that failed class the 4th quarter is allowed to compete in scrimmages.

 - a) Students who fail a 4th quarter class do have the option to make up the credit(s) during summer school (if it is available within the district) to regain full eligibility for fall activities.

II. ACADEMIC ELIGIBILITY--INCOMPLETES

Students receiving an incomplete at the end of a quarter will remain eligible.

- 1) Students have ten school days after the end of the marking period to convert their incomplete to a letter grade.
- 2) After the 10 day period of time if the student does not complete the course, the incomplete is changed to an "F" and the student is ineligible as set forth in item I.

III. ACADEMIC ELIGIBILITY--EXCEPTIONS

Any student enrolled in the Special Education program will be considered on an individual basis. Students must be making progress towards graduation.

- 1) A committee formed of the activities director, principal, guidance counselor, case manager, and instructors will decide if the student is working up to his or her ability and making progress.
- 2) This committee will determine eligibility status.

IV. ACADEMIC ELIGIBILITY—PARTICIPATION

- 1) A student who is declared ineligible will be expected to participate in all practice sessions during the period of ineligibility.
- 2) A student who is declared ineligible will not participate in any contests during the period of ineligibility. Scrimmages are not considered contests.

ELIGIBILITY RULES FOR NON-LEAGUE ACTIVITIES

In addition to the rules regarding use of mood-altering chemicals governed by the Minnesota State High School League, students participating in non league activities are required to follow the same rules which apply for all extra-curricular activities. The same penalties for violation of the rules will apply, i.e., loss of eligibility for a prescribed time period or number of events, whichever is more severe. These activities include: FFA, National Honor Society, Drama, Band, Choir, Student Council, Eagles Cry, Aquila, DECA, Knowledge Bowl, High Ability, Spelling Bee, Investment Club, SADD, and Robotics. The advisors of these organizations will inform participants of these eligibility requirements at the beginning of the year, season, or activity.

THE JAKE FOEHRENBACHER MEMORIAL 3-SPORT ATHLETE AWARD

Requirements:

- 1) Must participate in athletics in all three seasons during grades 9 through 12.
 - a) Fall Season Sports - Cross Country, Football, Volleyball
 - b) Winter Season Sports - Basketball, Gymnastics, Hockey, Wrestling, Alpine Skiing
 - c) Spring Season Sports - Baseball, Golf, Softball, Track and Field
- 2) Can have no more than one Minnesota State High School League violation to receive the award. However, by obtaining any MSHSL violation, the athlete is no longer eligible to receive the 3-Sport Athlete scholarship.
- 3) If an athlete suffers an injury that does not allow him/her to participate in one or more seasons, the athlete is required to go to all events and approximately 60% of practices during that season.
- 4) If an athlete transfers to EVW during or after their 9th grade year, they will be required to provide documentation about what sports they participated in at their previous school(s).

JUNIOR HIGH CO-CURRICULAR ACTIVITIES

JUNIOR HIGH ABILITY PROGRAM

Advisor: Donna Orbeck

High Ability offers enrichment opportunities to high potential students. To be considered for the program, pupils must meet the Minnesota State Guidelines for gifted and talented. Individuals are identified through testing data or recommendations by teachers, parents, or others. The program runs throughout the school year.

JUNIOR HIGH HONOR SOCIETY

Advisor: Liz Otto

JHS is an organization that honors junior high students who demonstrate excellence in academics, leadership, service, and citizenship. Youth must have a 3.6 grade point average to be considered for membership. Final voting is done by a committee of teachers and administrators. 8th and 9th graders are considered for membership after the first quarter, while 7th graders are considered during the spring. Students participate in service projects, sponsor a dance, and have a fundraiser to raise money for a spring field trip.

JUNIOR HIGH KNOWLEDGE BOWL

Advisor: Donna Orbeck

Students, working in teams, are challenged to recall factual information quickly. Participants have the opportunity to compete in several meets held after school. The season runs from October-December and is open to all students.

KNOWLEDGE MASTER OPEN

Advisor: Renae Ward

Ninth grade students in the junior high ability program participate as a team in this computer-generated competition held twice during the school year, once in December and once in April.

SPELLING BEE

Advisor: Heidi Kuechle

A national competition for students in grades 5-8. All 5th- 8th graders take a qualifying test in January with the top five finalists from each grade advancing to the District Spelling Bee held in February. The district champion represents our school at the Region Spelling Bee at St. John's University in March. State and National Spelling Bees are held in late spring.

SENIOR HIGH CO-CURRICULAR ACTIVITIES

AQUILA

Advisor: Sarah Geislinger

This organization represents the EV-W yearbook staff and is open to youth in grades 10 - 12. The purpose of the group is to organize photos and information to produce the yearbook and prepare for the year's activities, which go into creating and selling a yearbook. Many positions are available within this group and students are encouraged to participate. Students are selected to the yearbook staff by the advisor and officers on the basis of commitment. This is a year long activity. Persons are encouraged to also take Journalism as a class to learn the basics of copy and caption writing. Many yearbook staff members benefit from fitting Independent Aquila into their class schedule.

CLAY TARGET LEAGUE (TRAP SHOOTING)

Advisor: John Maile and Justin Kuechle

The Clay Target League is open to pupils in grades 7-12. The purpose of the Minnesota State High School Clay Target League is to attract students to participate in shooting sports while creating friendly competition among high schools throughout Minnesota.

CONCERT CHOIR

Advisor: Kris Latcham

Concert Choir is open to all EV-W students grades 9-12. Concert Choir performs in festivals, concerts, and contests during the school year.

The Concert Choir members will:

- 1) enjoy singing and become better music readers;
- 2) find an appreciation for many different styles of music;
- 3) have an opportunity to attend other musical performances and;
- 4) understand art and beauty and its importance in our daily life and survival.

Grades are determined from these requirements:

- 1) daily attendance;
- 2) voice lesson (3-4 per quarter);
- 3) concert attendance; and
- 4) classroom achievement.

ONE ACT PLAY

Advisor: Cassy Lahr

One Act Play is an excellent opportunity for students to gain self-esteem, respect, and positive attitudes. It also teaches them how to work with others in a group setting. Everyone, from the smallest job or part to the largest, is equally important to the success of the production. Dependability and commitment are attributes that are required when being chosen to participate in the play. One Act Play is open to individuals from grades 7-12. The One Act Play season usually starts in December with auditions. The Sub-Section, Section and State festivals usually take place at the end of January and early February.

EVW also offers a full-length production each year, which is set-up and directed through the EVW Community Education Department.

FFA

Advisor: Tracy Huhn, Tyler Warren

This organization is open to students in grades 7-12 who are interested in agriculture and leadership opportunities. It is a yearlong activity with many career development events in agricultural related areas which may enable individuals to advance to state competition. The state FFA convention is held at the end of April each year.

Students can participate in competitions as an individual or on teams. FFA makes a positive difference in the lives of youth by developing their potential for premier leadership, personal growth and career success through agricultural education.

A student may letter in FFA. A letter is earned for every 30 points obtained from the following schedule:

IMPACT

Advisor: Erin Kujawa/ Haley Miller

IMPACT is an organization that is open for individuals in grades 7-12. Throughout the year, the group is involved in bringing issues to the awareness of students and the community, as well as educating and encouraging them to make healthy choices.

INVESTMENT CLUB

Advisor: Tom Jansen

The Investment Club is open to youth in grades 9-12. The major goal of this organization is to understand the stock market and how investment strategy is handled in our society. Other responsibilities of the organization include coordination of many dance activities.

JAZZ ENSEMBLE

Advisor: Kim Salo

The Jazz Ensemble plays a different variety of music than the Senior Band. The students perform music in swing, Latin, rock and blues styles. It rehearses before school, usually on Thursday mornings, and is open to any student in grades 9-12 who play the following instruments: saxophone, trumpet, trombone, tuba, piano, bass guitar, electric guitar, or drum set.

SENIOR HIGH NATIONAL HONOR SOCIETY

Advisor: Renae Ward

Senior and junior high chapters of the National Honor Society are available. Faculty recommend pupils based on the qualities of scholarship, leadership, character, and services. Members must exhibit behavior consistent with the eligibility standards for participation in the Minnesota State High School League. Junior high youth, grades 7-9, must maintain a minimum grade percent average of 3.6.

For senior high students, tenth grade will no longer be eligible to apply for membership. The advisor will meet with ninth graders in JHS in the spring to advise them about getting involved, honor classes, leadership and character, and demonstrating criteria during their tenth grade year in order to be eligible as a junior.

In the fall towards the end of first quarter, the names of 11th and 12th grade individuals that qualify with a minimum 3.5 grade point average and EVW Honors Diploma requirements will be given to staff who can nominate them for NHS and provide feedback.

Once persons have been nominated and meet all requirements, they will be asked to apply with traditional NHS selection done by committee.

SENIOR HIGH STUDENT COUNCIL

Advisor: Meghan Braegelmann

Members are selected by the student body in grades 9-12 to represent them on the junior and senior high councils. This organization provides the leadership for many activities in our system. The student council goals are to promote leadership and a positive involvement for everyone within the school system.

SPEECH

Head Coach: Cassy Lahr

Participation in speech is open to students in grades 7-12. There are 13 categories in which individuals can participate. The categories include: Creative Expression, Discussion, Duo Interpretation, Extemporaneous Reading, Extemporaneous Speaking, Great Speeches, Humorous Interpretation, Informative Speaking, Original Oratory, Serious Drama Interpretation, Serious Poetry, Serious Prose Interpretation, and Storytelling. Speech participants are required to abide by Minnesota State High School League rules. Speech season begins in December and finishes in the middle of April.

Preparation for competition can include writing and performing an original script, performing a selection from a published work of literature, participating in a small group discussion, or speaking extemporaneously on current events. Speech is for those: *introverts* looking to be a bit more outgoing, *intellectuals* wanting to gain some valuable skills for college, *comedians* and *creative writers* looking for an outlet, *performers* looking to be center stage, *socialites* looking to make more friends, and *anyone* who is willing to work hard, be part of a team, and have a lot of fun

TRI-M MUSIC HONOR SOCIETY

Advisor: Kim Salo

Pupils are selected for membership in the Tri-M Honor society on the basis of musicianship, scholarship, character, leadership and service to school and community. The Tri-M Chapter #4440 provides a means of recognizing the efforts and achievements of music students who volunteer their time and share their musical talent with others. Tri-M is open to youth in grades 9-12, and includes band, choir, guitar, jazz band and pep band members. The EV-W Tri-M Honor Society signifies our schools recognition of the importance of the arts in the development of a comprehensive educational program.
