Printing in the Nest

- **Two ways to send a print job:**
- Save your document onto a USB thumb drive and bring it to the Nest
- Email your print job directly to nestprint.falconcove.net
- Use a clear file name so you can find your job quickly
- Ask Mr. Perez or a student volunteer before you print
- Pick up your printout at the circulation desk
- 3 page print minimum
- Check your document before printing to avoid extra copies
