STUDENT SCHEDULE INFORMATION

Each year the master schedule is built based on student course requests. Teachers are hired, textbooks are purchased, and rooms assigned on the basis of those requests. Therefore, once the school year begins, schedules are not changed without a qualifying purpose.

Schedule changes and appointments will be made ONLY for:

- an incomplete schedule
- repeating a failed class
- failure to meet the prerequisite
- corrections for courses taken over the summer
- new enrollments

Schedule changes will NOT be made for:

- teacher requests
- change the order of classes in the day
- move classes from one semester to another
- change lunches
- requests to have classes with friends

Counseling appoints for schedule changes requests will be as follows:

Mrs. Cooper – students with last names A-K

Mrs. Walters– students with last names L-Z

Counselors will be available by appointment only. Walk-ins are not guaranteed to receive time with a counselor. Students will be required to complete a Schedule Change Request form which must be signed by a parent. New Enrollments will be given precedence. Please contact the Counseling Office to schedule an appointment at 688-3564.

Any schedule change requests made AFTER SCHOOL STARTS will require an appointment with the counselor, and a Schedule Change Request form signed by parents and incoming/outgoing teachers. These changes must be completed by the end of the day on Wednesday, August 26th. Only those students who are requesting a change due to an incomplete schedule, repeating a failed class, corrections due to summer school or missing prerequisites will be granted an appointment to change schedules.

**** Schedule changes cannot create an unbalanced class load with like classes, and schedule change requests must have a specific educational reason.**
