
STUDENT ORGANIZATIONS AND EQUAL ACCESS

The Governing Board believes that student groups or clubs reinforce the instructional program, give students experience in civics and government, and provide social and recreational activities. Student groups also serve to honor outstanding student achievement and enhance school spirit and students' sense of belonging. Prior to meeting on school grounds, all student groups shall be authorized by the principal or designee in accordance with Board policy and administrative regulation.

In order to maintain a closed forum on school campuses, only student-initiated groups that relate directly to the curriculum shall be allowed to meet on school premises during noninstructional time.

All curriculum-related student clubs or groups shall have equal access to the school media to announce meetings, including, but not limited to, the public address system, the school newspaper, the school bulletin board, and school web site.

Noncurriculum-related student groups are subject to the requirements specified in Board policy and administrative regulation for community groups regarding the use of district facilities for meetings and the right to distribute materials to students.
