

GREAT SCHOOLS DON'T HAPPEN BY CHANCE.

They Happen Through Community

Long Beach Island Elementary School PTA | 2026–2027 Community Partnership Packet

Dear Community Partner,

As we prepare for an exciting new school year, the Long Beach Island Elementary School PTA is inviting local businesses and organizations to partner with us in creating meaningful experiences for our students.

When people think about the PTA, they often think of fundraisers and family events. While those are certainly part of what we do, they are only the beginning.

Throughout the school year, the PTA helps make possible many of the experiences that enrich our students' education and strengthen our school community—from educational assemblies and family engagement events to teacher appreciation, Field Day, 6th Grade Bay Day, classroom enrichment, student celebrations, and so much more.

These opportunities are made possible because of the generosity of families, volunteers, and local businesses that believe in investing in our children.

Your partnership is not simply a donation. It is an investment in experiences that inspire curiosity, encourage creativity, celebrate achievement, and create lasting memories for every student who walks through our school's doors.

While school budgets provide for the essentials, the PTA helps bridge the gap by funding programs and opportunities that make our school experience truly exceptional.

Enclosed you'll find our 2026–2027 Community Partnership Opportunities outlining several ways your business can support our students. Whether you choose to invest in a specific initiative or contribute toward our greatest needs, every partnership helps make a difference.

Every partnership helps create meaningful experiences for every student at Long Beach Island Elementary School.

In appreciation of your generosity, Community Partners are recognized throughout the year in communications directed to parents and the broader school community, including our website, email blasts, social media, and annual impact report. In keeping with PTA guidelines and our commitment to maintaining an educational environment focused on students, recognition is never presented as advertising directly to students during the school day.

We hope you'll join us in helping create another incredible year for the students of Long Beach Island Elementary School.

Thank you for investing in our school, our students, and our community. Together, we can continue creating opportunities that leave a lasting impact long after the school year ends.

With gratitude,

Chelsea Kulp | President
