OUR COMMITMENT

AUGUST 1 – NOVEMBER 10, 2026

My first 100 days are about listening before leading.
Together, we will celebrate what is working, strengthen
what needs improvement, and create a shared vision
for every student in Alum Rock.

100 *Days*
**LISTEN. LEARN.
LEAD TOGETHER.**

TOPICS WE WANT TO HEAR ABOUT:

What is
working well?

What should
we improve?

What should
never change?

How can we
work better
together?

What is your
vision for our
students?

*Together, we can build brighter futures
for all students in Alum Rock. ❤️*
