NJASA Power of Professional Learning Series-Session#1:
"Strengthening Board-Superintendent Partnerships"
Wednesday, September 23, 2026/9:30 am-11:00 am
(All registrants will receive a Zoom invitation)
To register for this program, click here

AGENDA

9:25 am – 9:30 am	**The meeting will open; Registrants will be admitted into the Waiting room.**
9:30 am – 9:35 am	**Program Overview – Introductions** **Joseph J. Annibale-NJASA Director of Professional Development**
9:35 am – 11:00 am	NJASA invites you to join an open discussion focused on how superintendents and boards of education cultivate a strong governance partnership built on trust, communication, role clarity, and shared commitment to advancing student success and district excellence. Today, you will hear from three very successful superintendents who will share their **trials and tribulations**, lessons learned, and experiences along the way to develop productive and collaborative relationships with their Boards of Education. They will be candid about what worked, what didn't, and the strategies they ultimately found effective in getting to a place where the superintendent and Board can work together in support of the district's goals. Our hope is that today's conversation will provide you with practical insights, real-world perspectives, and perhaps a few ideas you can take back to your own districts and apply immediately. Time will be provided for reflection on practices, so be prepared to share your thoughts and scenarios with the presenter.
11:00 am	**Question/Answer Period**
Presenter:	**Raymond Gonzalez, Ed.D., Superintendent, Westfield Public Schools** **Elizabeth Jewett, Ph.D., Watchung Hills Regional High School** **Kwame Morton, Ed.D., Superintendent, Cherry Hill Public Schools**

"One Vision – Our Voice"

The mission of the New Jersey Association of School Administrators, the unifying professional association of school leaders, is to ensure a superior statewide system of education by influencing and affecting educational policy, regulations and legislation; and by maximizing the capacity and effectiveness of school leaders through professional development programs and support services.
