1:15 1st gr. Art Club
1:15 2nd gr. Robotics Club

When students are absent from school, they may not attend an afterschool extracurricular activity (practice, club, rehearsal, etc.)

New Front Office Safety System

In alignment with district-wide safety measures, CVESD has installed a new camera and doorbell system at our front office. This system is intended to enhance campus monitoring and support our ongoing safety efforts. When entering the front office, you must first press the doorbell button. Please be patient, as it may take a few seconds for our office staff to unlock the door. Once you hear the door unlock, pull the door open to enter. We appreciate your patience and cooperation as we implement this new security feature.

To parents who use the West Loop, please remember that the loops are intended for students who can quickly and independently get in and out of the car. If you need to put the car in park, get out of the vehicle, hand items to your child, and walk your child a few feet, we ask that you please park on the street and walk up with your child. This helps keep the loop moving efficiently, and most importantly, keeps everyone safe.

For student safety, open-toed shoes are not allowed. This includes 'slides.' Even when worn with socks, slides and other open-toed shoes are not permitted.
