Teachers, Parents, Students -

Shaping Students for Success

Donaldsonville Primary School will empower every student to achieve literacy and numeracy proficiency and beyond, as well as encourage others to do the same.

What is a School-Parent/Family Compact?

A School-Parent/Family Compact for Achievement is an agreement in which parents, students and teachers acknowledge shared responsibility for student learning.

An Effective Compact:

- Links to academic achievement goals
- Focus on student learning
- Share strategies that teachers, parents and students can use in school and at home
- Explain how teachers and parents can communicate about student progress
- Describe opportunities for parents to participate in the school setting

WE NEED YOUR HELP TO EDUCATE YOUR CHILD!

We hope you will join us this year to provide the best education for your child. Evidence shows that when YOU are involved in the education of your child and give him/her the support necessary to make good decisions about progress made at school, he/she will be more successful, perform better on tests, and go on to higher education.

As Donaldsonville Primary educators, we will...

- design and plan instruction, using effective instructional practices to support student learning, and create an equitable and inclusive learning environment.
- keep parents informed of student progress.
- communicate details on the week's learning themes and skills taught.

As Donaldsonville Primary parents, we will...

- Make reading a daily part of family time.
- Check the home-school communication folder, ParentSquare, and supervise homework and study time.
- Become involved and attend school activities and events throughout the year.
- Stay in touch with teachers about reading progress.
- Use math goals and related games or strategies the teacher sends home to improve my child's.
- Make sure my child is on time and attends school on a regular basis. Encourage my child to do his/her best.

At Donaldsonville Primary students, our Cubs PAWS for success! Every day, we

Jointly Developed with Parents

Parents, students, and school staff worked together and shared ideas to develop this Compact for Achievement. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

Families are welcome to provide feedback on the compact at any time during the school year. Please call (225) 391-7600 or visit our school website for additional information.
